TRIGGER WARNING. In 2004 I finally got the courage to testify to the Bahai Administration the extreme criminal negligence of my parents and the child abuse done to me as a result of their criminal negligence along with a fair number of people in the #fakebahai community where I was raised. I didn't choose my parents. The Bahai Universal House of Justice would not rescind my parents' right to parental consent in marriage in 2006. That was when I formally left the Bahai Faith. In 2013 and 2014 I discovered the social media content of abusers of the child me. 1 of those abusers (whose 3 initially aptly fit into the word K.R.A.M.P.US) of the child I once was who really took advantage of me way back in the 1970's and early 1980's, was flaunting time alone with children. And so I absolutely felt obliged to dox him as very likely a pedophile now. Since the shame and burden of having bad memories of my parents undescrivably insane demoralized conditions that made them along with the community where I was raised pedophile enablers, it only seems appropriate to use the facebook name: "MirzaHusayn Manson" as a play on the irony of Baha'u'llah's common name before He declared himself to be a Manifestation of God Bahá'u'lláh Mirza Husayn Ali Nuri (1817 – 1892) with that of [Charles Manson who ironically has the same](#)

One must judge of search by the standard of the Majnún of love.¹⁹ It is related that one day they came upon Majnún sifting the dust, his tears flowing down. They asked, "What doest thou?" He said, "I seek for Laylí." "Alas for thee!" they cried, "Laylí is of pure spirit, yet thou seekest her in the dust!" He said, "I seek her everywhere; haply somewhere I shall find her." - *THE SEVEN VALLEYS OF BAHÁ'U'LLÁH*

and **15** [her ☺ I in 1986 ☺ 1987] They represent a special group with special needs as they are somewhat in between childhood and youth when many changes are occurring within them. Creative attention must be devoted to involving them in programs of activity that will engage their interests, mold their capacities for teaching and service, and involve them in social interaction with older youth. The employment of the arts in various forms can be of great value in such activity. "http://bahai-library.com/uhj_ridvan_2000

New York Times v. Sullivan (1964)

is a landmark U.S. Supreme Court decision holding that First Amendment freedom of speech protections limit the ability of public officials to sue for defamation. The case emerged out of a dispute over a full-page advertisement run by supporters of Dr. Martin Luther King, Jr., in *The New York Times* in 1960.

The Supreme Court, in an opinion written by Justice William Brennan, reviewed the matter "against the background of a **profound national commitment to the principle that debate on public issues should be uninhibited, robust, and wide-open, and that it may well include vehement, caustic, and sometimes unpleasantly sharp attacks on government and public officials.**" Noting that the advertisement at hand would qualify for constitutional protection, the Court considered whether its

inaccuracies had forfeited that constitutional protection. The Court, in a unanimous 9-0 decision, established that statements under such circumstances involving a public official plaintiff must be false and made with "actual malice," that is, "with reckless disregard of whether it was false or not." Upending the common law tort rule, the Court placed the burden of proof on the public official plaintiff, stating that the plaintiff must demonstrate actual malice with **"convincing clarity which the constitutional standard demands."**

" With regard to the spiritual significance of the suffering of children "who are afflicted by the hands of oppressors", 'Abdu'l-Bahá not only states that for those souls "suffering is the greatest mercy of God", He also explains that to be a recipient of God's mercy is "far better and preferable to all the comfort of this world", and He promises that "for those souls there is a recompense in another world". Thus:

As to the subject of babes and infants and weak ones who are afflicted by the hands of oppressors: This contains great wisdom and this subject is of paramount importance. In brief, [for those souls there is a recompense in another world](#) and many details are connected with this matter. For those souls that suffering is the greatest mercy of God. transitive verb

la : to give something to by way of compensation (as for a service rendered or damage incurred)

b : to pay for

2 : to return in kind : requite

You enquire why some souls, notably those born to loving parents, are seemingly favoured by God, while those born to abusing and rejecting parents are destined to endure a lifetime of suffering, since children, growing up in such a destructive atmosphere are more likely as adults, to perpetrate abuse on their own children, thus repeating the cycle of violence and thereby further placing in jeopardy their relationship to God. Clearly, only God is able to know the true state of any soul. It is therefore important to appreciate that God in His bounty has endowed every created thing, however humble, "with the capacity to exercise a particular

influence, and been made to possess a distinct virtue". And, reminiscent of the parable of the talents (Matthew 25:14-30), Bahá'u'lláh, in the "Gleanings", (p. 149) draws attention to the need to make efforts to develop and demonstrate in action out

EVIL EXISTS EVIL EXISTS EVIL EXISTS EVIL EXISTS

"We must never take one sentence in the Teachings and isolate it from the rest: it does not mean we must not love, but we must reach a spiritual plane where God comes first and great human passions are unable to turn us away from Him. All the time we see people who either through the force of hate or the passionate attachment they have to another person, sacrifice principle or bar themselves from the path of God. "We know absence of light is darkness, but no one would assert darkness was not a fact. It exists even though it is only the absence of something else. So **evil exists too, and we cannot close our eyes to it, even though it is a negative existence. We must seek to supplant it by good, and if we see an evil person is not influenceable by us, then we should shun his company for it is unhealthy.**"

O ye two believers in God! The Lord, peerless is He, hath made woman and man to abide with each other in the closest companionship, and to be even as a single soul. They are two helpmates, two intimate friends, who should be concerned about the welfare of each other.
If they live thus, they will pass through this world with perfect contentment, bliss, and peace of heart, and become the object of divine grace and favour in the Kingdom of heaven. But if they do other than this, they will live out their lives in great bitterness, longing at every moment for death, and will be shamefaced in the heavenly realm.
Strive, then, to abide, heart and soul, with each other as two doves in the nest, for this is to be blessed in both worlds. – Abdu'l-Baha”

“ The House of Justice is very pleased to learn of the progress you are making in recovering from the difficulties of the past, and is delighted by your wholehearted and enthusiastic commitment to the practice of the Teachings and your involvement in Bahá'í community activities. It is confident that, with the passage of time, you will proceed from strength to strength, and that your earnest endeavours will be reinforced by the spiritual potencies of the Revelation of Bahá'u'lláh.

Turning now to the questions you have raised, the House of Justice has decided that when a Bahá'í has suffered sexual abuse such as incest from a parent, that believer is free to approach the National Spiritual Assembly for a determination that such an action warrants deprivation of the right of the parent to give consent to marriage. At present such matters have to be referred by a National Assembly to the Universal House of Justice on a case by case basis.”

9. With a heavy heart to heed this:

An essential principle of Bahá'u'lláh's teaching is that religion must be the cause of unity and love amongst men; that it is the supreme effulgence of Divinity, the stimulus of life, the source of honor and productive of eternal existence. Religion is not intended to arouse enmity and hatred nor to become the source of tyranny and injustice. **Should it prove to be the cause of hostility, discord and the alienation of mankind, assuredly the absence of religion would be preferable.** Religious teachings are like a course of treatment having for its purpose the cure and healing of mankind. If the only outcome of a course of treatment should be mere diagnosis and fruitless discussion of symptoms, it would be better to abandon and abolish it. In this sense the absence of religion would be at least some progress toward unity.

Furthermore, religion must conform to reason and be in accord with the conclusions of science. For religion, reason and science are realities; therefore, these three, being realities,

15 of 148 **"MATTHEW 25:40** And the King shall answer and say unto them, Verily I say unto you, Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me." **HW Arabic #30 "O SON OF MAN! must conform and be reconciled. A question or principle which is religious in its nature must be sanctioned by science. Science must declare it to be valid, and reason must confirm it in order that it may inspire confidence. If religious teaching, however, be at variance with science and reason, it is unquestionably superstition. The Lord of mankind has bestowed upon us the faculty of reason whereby we may discern the realities of things. How then can man rightfully accept any proposition which is not in conformity with the processes of reason and the principles of science? Assuredly such a course cannot inspire man with confidence and real belief.

What Baha'u'llah says about "Justice":

2. O SON OF SPIRIT!

The best beloved of all things in My sight is Justice; turn not away therefrom if thou desirest Me, and neglect it not that I may confide in thee. By its aid thou shalt see with thine own eyes and not through the eyes of others, and shalt know of thine own knowledge and not through the knowledge of thy neighbor. Ponder this in thy heart; how it behooveth thee to be. Verily justice is My gift to thee and the sign of My loving-kindness. Set it then before thine eyes.

You must not see evil as evil and then compromise with your opinion, for to treat in a smooth, kindly way one whom you consider evil or an enemy is hypocrisy, and this is not worthy or allowable. You must consider your enemies as your friends, look upon your evil-wishers as your well-wishers and treat them accordingly." - [The Promulgation of](#)

If the broad structure of society is to remain intact, resolute efforts, including medical ones, as necessary, should be made to curb acts of aggression within families, particularly their extreme forms of wife beating and child abuse by parents. **This is a matter of fundamental importance, for if the friends are not able to maintain harmony within their families, on what other basis do they hope to demonstrate to a skeptical world the efficacy of the preeminent character of the Revelation of Bahá'u'lláh?**

"Vicious criticism is indeed a calamity. But its root is lack of faith in the system of Bahá'u'lláh (i.e. the administrative order) and lack of obedience to Him - for He has forbidden it. If the Bahá'ís would follow the Bahá'í laws in voting, in electing, in serving, and in abiding by assembly decisions, all this waste of strength through criticizing others could be diverted into cooperation and achieving the Plan." - Shoghi Effendi (December 18, 1949)

[37. backbiting or calumny ¶19](#)

Backbiting, slander and dwelling on the faults of others have been repeatedly condemned by Bahá'u'lláh. In the Hidden Words, He clearly states: "O Son of Being! How couldst thou forget thine own faults and busy thyself with the faults of others? Whoso doeth this is accursed of Me." And again: "O Son of Man! Breathe not the sins of others so long as thou art thyself a sinner. Shouldst thou transgress this command, accursed wouldst thou be, and to this I bear witness." This strong admonition is further reiterated in His last work, "the Book of My Covenant": "Verily I say, the tongue is for mentioning what is good, defile it not with unseemly talk. God hath forgiven what is past. Henceforward everyone should utter that which is meet and seemly, and should refrain from slander, abuse and whatever causeth sadness in men."

has a context of a very higher Aquarius / Prometheus spiritual mission to deliver a message accurately and poignantly by removing one's self from emotional attachment that "hate & love" brings.

"Equal opportunity hate" is meant as kind of an oxymoron play on words to mean "justice" At some point being cruel to be kind was exactly what seems to be described as "backbiting" for the sake of "The Best Beloved of all things" **Justice!** <https://reference.bahai.org/en/t/b/HW/hw-3.html>

If all that what Abdu'l-Baha said was true about his brother from another mother then the Bahais really needed to know about that. Is it not true justice for making those facts clear as the Legacy of Bahais? Likewise, What is the Bahai cardinal sin of backbiting or "vicious criticism" when reporting a crime that was too difficult to report while a defenseless helpless child? Friends, beloved friends. I want to ask you a question. Who does Bahá'u'lláh belong to? I've been thinking about this a great deal during this marvelous gathering that we have all been privileged to attend. And I often wonder if we ponder on this question. **Who does Bahá'u'lláh belong to? No one would presume to say that the sunlight belonged to the east or the west or the north or the south. No one would dare say that the sun that shines in Persia is for some reason or other a better kind of sunlight than the sunlight that shines in the United States of America. Or that the**

sun in Africa is a different kind of sun from that in Southeast Asia and so on. The sun is far away from us. It shines on everything equally. It is its own

master. Nobody owns it. Nobody controls it and nobody has a monopoly on it. The same thing is true of Bahá'u'lláh. None of us Bahá'ís own Bahá'u'lláh. Sometimes, there seems to be an attitude on the part of individuals or of Bahá'í institutions, undoubtedly due to their immaturity, that gives one the impression that Bahá'u'lláh is something that they have an invested right in, as if it were a company that they had bought shares in or a secret society that they had been initiated into. And that being these very privileged people who have some kind of control of something very exclusive and marvelous, they are going to share it with others under certain conditions. I think all of us must realize, and perhaps all of us do realize, but then not all the Bahá'ís in the world are in this room, there are a great many Bahá'ís alas who are not privileged to be present in this room. But we must all realize that Bahá'u'lláh belongs to those who have accepted Him. It is not a derived right.

The proverb "The apple does not fall far from the tree" in all the evil that goes on within the great Abrahamic de-evolution of organized religions seems appropriate.

FOR THOSE reading this WHO THE BAHAI UNIVERSAL HOUSE OF JUSTICE at Mount Carmel in Haifa Israel DETERMINES TO BE "COVENANT BREAKERS": FOR Those so called "Bahais" who claim to be another sect of the Bahai Faith separate from what you consider to be "The Haifa" or Mount Carmel administrative order with **a great wisdom counsel of 9 men of** Universal House of Justice, I do not have any solidarity with your efforts to exploit this story for furthering your splinter groups attacking **what those call** "mainstream" Bahais. Your false versions of the Bahai New world order are no improvement whatsoever. They're a schism sadly misguided group of people I still to this day want no part of having any affiliation with.

I am a non-Bahai who happens to have **Great** respect for exceptionally heroic altruistic people **not merely**, relative to the shithole countries that Iran and the Ottoman Caliphate was in the 19th century, and in many respects **most Islamic dominated countries** still are to this day, but at the same time I recognize Baha'ullah :

as exactly what Bahais call him: a "Manifestation of God" , one of many "manifestations of God" in a long series of periodic rhythm of time of "Manifestations of God" / Dispensations who appear on earth to bring Radical revolutionary emergency instructions to teach humanity to save humanity from itself.

& for His Undeniably Great Work and Wisdom

However, I do not entirely agree with The concept of Progressive Revelation I've encountered and was taught in certain opinions and attitudes among Bahais that insist that because Baha'u'llah is the Latest Greatest Manifestation of God to have ever lived, that "we Bahais" from "team Bahai Faith" have got the most advanced Manifestation of God and are somehow exceptionally blessed, elite, on the "winning team", and therefore Baha'u'llah absolutely renders all previous "Manifestations of God" obsolete and un-evolved and entirely for the past circumstances which were all primitive barbaric times, primitive people, with all those ass backward lifestyles.

24 of 148 **"MATTHEW 25:40** And the King shall answer and say unto them, Verily I say unto you, Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me." **HW Arabic #30 "O SON OF MAN! <https://bahaipdxwitness1984.wordpress.com/> 2-19-23 (minimal polishing)

Such an attitude is easy to fall into. It is an attitude narcissistically imagining we're like NFL football players or cheerleaders in competition, and creates a slippery slope of disrespect, conceit, and arrogance. I cannot accept that Progressive Revelation is entirely linear like the progress of Western public schools 1 grade after another through time, progressing and evolving in time because there's obviously believers out of sequence with integrity. Great archeological wonders show evidence of unaccounted for mysteriously vastly superior prehistoric history of the world. There's lots of evidence of ancient forgotten technologies. Many of these discoveries suggest the human race often has extreme regressive devolving / de-evolution to where great absolutely beautiful Golden Eras are depreciated so horribly bad so as to render a great beautiful civilization into an ultra barbaric dystopia, yet with preserved underground mystery schools and artifacts.

IMHO Progressive Revelation doesn't seem to work with a hyperfocus on its own being persecuted. There are non-Bahais being persecuted with martyrs for Bahai Principles being murdered and assassinated all the time. Its a damn shame that any Bahais, can deny that heroism with such irony as [TRULY heroic Israelis](#) dissuading people from being clotshot jabbed.

In my opinion and experience some of the schools of metaphysics, (especially hermeticism and mind freedom out of previous dispensations) are absolute babies, unrevealed, unaccounted for, un-described, under-described or (untranslated if they are described) in Bahai scripture available to the public, that needs to be sorted from the bathwater. As such, a certain amount of "regressive" Progressive Revelation is warranted.

Also there are plenty of great spiritual lifestyles of ancient indigenous people of the world whose histories of what Bahais call "past dispensations" with "Manifestations of God / " are not clarified to be such. These past stories are in some of the creation story mythologies of a lot of Indigenous primitive cultures teach priceless ethics and moral standards. And all are entirely worthy of consideration. There is an entire areas of studies on cross cultural comparative mythologies, Jungian Archetypes, concerning patterns of astrology sometimes called "astrotheology" that explains the truth about polytheistic cultures. Such studies all enrich the Baha'i concept of "oneness of humanity" , "unity in diversity", that should be near and dear to any true justice seeker's heart.

An equal and opposite extreme problem I have with the Bahai concept of Progressive revelation is : some inadequate descriptions for what went wrong with previous dispensations. I don't understand any way to rationalize or explain why a loving caring God would have insane sick

bizarre behavior and laws as Abraham's near sacrifice of His son. I don't understand why God would command a father to slaughter his own son and then change His mind to slaughter a sheep instead at the last moment.

I also **find it very difficult to ignore Baha'u'llah** was an individual who lived a very unexceptionally finite mortal flesh, bones, and blood human **life with a finite physical body, or deny Baha'u'llah** had some shortcomings and compromises of optimal and ideal situations to survive in the culture where he lived, with finite time here, like everyone else does. (for example he use to smoke to blend in as Disguise (during old days of persecution sometimes) and was a polygamist too!

And so Therefore: I ask those who do not like the Bahai Faith to not exploit this story as some kind of proof the Bahai Faith is evil, but rather **this experience as entirely my own, 1 individual, 1 claim, 1 limited view point, IMHO, with 1 limited perception describing** a classic example of how organized religion fails 101. (At least traditional organized religion as most people know it today.-)

It can be a difficult test for someone being raised as a child seeing nothing but his parents fawning at affluent eloquent articulate Persian immigrants, yuppy snobby suburbanites, and other who are so called "refugees" all surviving and thriving away from the shithole culture **(Baha'u'llah was literally imprisoned called "the Black Pit" or "Shia Chal" in a shithole for 4 months)** from whence they came, while my home as a child was quite shitty as proof that I'm unworthy and subjugated and subhuman.

Here's where Shoghi Effendi kind of answers my own Statement and concerns, He tells Bahais to refrain from being conceited about their Nationality race or family background. The Manifestation originates near and for those who are the most troubled people on earth Quote-ing Advent of Divine Justice: starting page 17

*Bahá'u'lláh and 'Abdu'l-Bahá." Starting page 16 through 17 for the full passage: "The glowing tributes, so repeatedly and deservedly paid to the capacity, the spirit, the conduct, and the high rank, of the American believers, both individually and as an organic community, must, under no circumstances, be confounded with the characteristics and nature of the people from which God has raised them up. A sharp distinction between that community and that people must be made, and resolutely and fearlessly upheld, if we wish to give due recognition to the transmuting power of the Faith of Bahá'u'lláh, in its impact on the lives and standards of those who have chosen to enlist under His banner. Otherwise, the supreme and distinguishing function of His Revelation, which is none other than the calling into being of a new race of men, will remain wholly unrecognized and completely obscured. 17 How often have the Prophets of God, not excepting Bahá'u'lláh Himself, chosen to appear, and deliver their Message in countries and amidst peoples and races, at a time when they were either fast declining, or had already touched the lowest depths of moral and spiritual degradation. The appalling misery and wretchedness to which the Israelites had sunk, under the debasing and tyrannical rule of the Pharaohs, in the days preceding their exodus from Egypt under the leadership of Moses; the decline that had set in in the religious, the spiritual, the cultural, and the moral life of the Jewish people, at the time of the appearance of Jesus Christ; the barbarous cruelty, the gross idolatry and immorality, which had for so long been the most distressing features of the tribes of Arabia and brought such shame upon them when Muhammad arose to proclaim His Message in their midst; the indescribable state of decadence, with its attendant corruption, confusion, intolerance, and oppression, in both the civil and religious life of Persia, so graphically portrayed by the pen of a considerable number of scholars, diplomats, and travelers, at the hour of the Revelation of Bahá'u'lláh -- all demonstrate this basic and inescapable fact. To contend that the innate worthiness, the high moral standard, the political aptitude, and social attainments of any race or nation is the reason for the appearance in its midst of any of these Divine Luminaries would be an absolute perversion of historical facts, and would amount to a complete repudiation of the undoubted interpretation placed upon them, so clearly and emphatically, by both Bahá'u'lláh and 'Abdu'l-Bahá. From 1977 through 1984 The Bahai Community of Milwaukie Oregon U.S.A. along with certain individuals from neighboring Bahai communities of Clackamas County and Portland were criminally negligent with some of their children.

I was a child raised in that Bahai community from that era and now I am an adult survivor. The world needs to know of where the Bahai Faith failed to **protect children**. This is an account of what went wrong so that those deluded into thinking that the Bahai faith necessarily somehow has some kind of exceptional integrity over any other organized religion will have good reason to think otherwise.

For clarity purposes, and indifference from society, in the event unfortunately, and for the sake of justice, I must now disclose a lot of names **and be very specific**,

I've already dropped names of the 2 now adult men, who although then as are teenagers, are now in 2022 well into their 50's who molested me and have flaunted their conniving duper's delight revolting shameless faces online. They really are that blatant. Krampus has many trophy pictures of time alone with little boys throughout the early 2000's just absolutely alluding to loving a gay pedophile hobby of molesting little boys by the obvious reality of what he did to a victim from the perspective of a former victim.

"The Krampus" / "Saint Nicholas" archetype representing duality, hegelian dialectic, false dichotomy, & the good cop bad cop routine of abuse cover-up is a very poignant and effective analogy and metaphor for extreme child abuse and a dirty trick called the "good cop bad cop routine". If the Krampus I remember is still an unrepentant pedophile who still grooms and sexually abuses children with impunity whenever he can, or whether he is sanctioned impunity in his medical profession to administer some quackery like poison medications, poison vaccines, or chemotherapy to children , everything about that abuser of me when I was a child makes him a Krampus now.

Those people responsible for this criminal negligence **creating Krampus** know damn well who they are and know damn well who I am and exactly who I am referring to and will know damn well that no bad deed goes unpunished.

IF those in Government law enforcement really wants to, they will investigate claims of criminality and have plenty of information to do so, but from what I've discovered with lots and lots of research and with similar scandals, they usually don't care and have their good old boy &

good ole girl networks of secret societies recruit and sanction abuse (like with Jay Parker's Dad or Cathy O'brien's Dad). I'm not sure if I can ever Forgive, because I DO NOT FORGET.

Shadow Work Principles for Adult Survivors of once being children who were abused:

IT IS ABSOLUTELY CLEAR AS A SURVIVOR ONE absolutely must do one's part reminding one of the fallibility of everyone, including and especially one's own self. The phrase "everyone has a breaking point" from the scene from the movie "Apocalypse Now" briefing Martin Sheen is pertinent here. Everyone has a breaking point:

[Apocalypse Now - Terminate, with extreme prejudice.](#)

and knowing one's potential breaking points where they are prone to commit abhorrent behavior is so urgent & crucial to absolutely remember and research. To sit in sanctimonious condemnation as though one has no faults of one's own is a terrible mistake. The Bahai writings warn everyone of this terrible mistake. (some key phrase examples or ideas or issues to consider and plug into an internet search engine include **["Stanford Experiment" by Phillip Zimbardo](#)** "Milgram Experiment" or "Order followers Mark Passio")

Breathe not the sins of others so long as thou art thyself a sinner. Shouldst thou transgress this command, accursed wouldst thou be, and to this I bear witness

These terrorists of the past do not deserve forgiveness (**in so far as they are unrepentant**) nor to be forgotten, at least not in my lifetime. [Not on my watch.]

The concept of forgiveness takes many turns and twists in every practical way to describe it. If the Best Beloved of things in Baha'u'llah's site is Justice as the Hidden Words say.

2. O SON OF SPIRIT!

The best beloved of all things in My sight is Justice; turn not away therefrom if thou desirest Me, and neglect it not that I may confide in thee. By its aid thou shalt see with thine own eyes and not through the eyes of others, and shalt know of thine own knowledge and not through the knowledge of thy neighbor. Ponder this in thy heart; how it behooveth thee to be. Verily justice is My gift to thee and the sign of My loving-kindness. Set it then before thine eyes.

(Baha'u'llah, The Arabic Hidden Words)

Words can never describe "forgiveness".

What is forgiveness worth without Justice?

What is Justice for an injury committed by a criminal without prosecution & punishment of the criminal? What is forgiveness without:

Redemption?

Reconciliation?,

reparation?,

revival?,

restoration?,

regeneration?,

How is it even possible to even perceive forgiveness? True

Forgiveness?

I don't know what forgiveness is other than to recite and ask all these unanswerable questions:

Where is true relief of forced substandard capacity and opportunity

cruelties and reign of terror to terrorize children as King Herod did in the time of Jesus's Birth? Where is anything to retrieve virility and fertility, to recover hindered and stunted opportunity in this lifetime from post traumatic slave and stress disorders? Where is the true recovery from every thing wasted and lost in confusion and debilitating pain from some cruelty, especially the cruelty of being an abused child in religion categorically against such abuse? Especially in this finite scarce material world?

THE MYSTERY OF SUFFERING

As to the subject of babes and infants and weak ones who are afflicted by the hands of oppressors: This contains great wisdom and this subject is of paramount importance. In brief, for those souls there is a recompense in another world and many details are connected with this matter. For those souls that suffering is the greatest mercy of God. Verily that mercy of the Lord is far better and preferable to all the comfort of this world and the growth and development of this place of mortality. If it be the will of God, when thou shalt be present this will be explained in detail by word of mouth.

(Abdu'l-Baha, Baha'i World Faith - Abdu'l-Baha Section, p. 371)

A criminal that is an unrepentant un-redeem-able parasite predator needs to be either rehabilitated or terminated.

All great scandals, especially child abuse scandals, within organized religions and other institutions stem from emotional and economic disparity/scarcity. This disparity/scarcity often seems to involve poor people groveling to wealthy people and/or emotionally desperate people blindly, gullible, **DESPERATE**, hoodwinked, conned, manipulated and duped following charismatic predators

More details About that disparity and the predation that it attracts:

There seems to be a multiple factors and multiple threat of complicity in cases of child abuse coverrup: Here's a list of some ways to describe these factors:

1. a mindset of desperation, extreme stockholm syndrome, gullibility of parents

31 of 148 **"MATTHEW 25:40** And the King shall answer and say unto them, Verily I say unto you, Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me." **HW Arabic #30 "O SON OF MAN! Deny not My servant** should he ask anything from thee, for his face is My face; be then abashed before Me."- Baha'u'llah

2. Deliberate normalization of child abuse

3. an Arrogant, condescending, belittling and incessant latent unconscious predation from charitable people deluded about the nature of their responsibility, &/or with impure motive that is predatory.

4. the stigma of being a victim of child sexual abuse who was groomed and manipulated and too ashamed to report punctually because of the stigma that he somehow agreed to getting molested.

A religious community that reputedly and categorically forbids, by its own teachings that Sexual relations must entirely be consensually between 1 man and 1 woman married in a marriage with all 4 parents of husband and wife approving, and makes that the ideal standard, and "Fortress for Well Being" "Absolute Chastity",

These requirements are none other than a high sense of moral rectitude in their social and administrative activities, absolute chastity in their individual lives, and complete freedom from prejudice in their dealings with peoples of a different race, class, creed, or color.

(Shoghi Effendi, The Advent of Divine Justice, p. 21)

yet fails with a

bizarre "perfect storm" / diabolical confluence, and union of desperate, ridiculously naive and gullible, at the mercy of predators, causing more and more child abuse and gender estrangement, has got to be one of the most absolute most evil and ancient dirtiest tricks on the face of the earth.

Such was The Disgusting shameful pathology of those parents and adults in the Bahai communities who abandoned me when I was a child to get molested.

3 good buzzwords or keywords of "Exploitation", "humiliation", & "subjugation" are worthy of consideration

Among the wealthy and charismatic predators are any combination of either predators or complacently naive sanctimonious conceited people.

Their deluded condescending arrogance is the worse form of terrorism.

There was a perfect storm of at least 3 different families From 1977 through 1984 in The Bahai Community of Milwaukie Oregon U.S.A. suffering some kind of Godforsaken beginning-less multiple generational abuse or trauma, where the adult guardians and parents of those families were completely naive and unaware of any kind of notion of teaching their children appropriate boundaries of privacy.

This insanity, this pathology, this tragedy, this F-ouled up situation, this shit that goes down, this terrorism known as child abuse, can be described in many psychology buzz phrases or jargon which includes:

[WARNING GRAPHIC CONTENT]: these people bury their heads in the sand, THESE PEOPLE BURIED THEIR F***ING HEADS IN THE F***ING SAND

AND The end result WAS distressed. Poor. and desperate parents thinking nothing of abandoning their children to be the prey of predators.

In the summer of 1984, At the pleading request of an overworked, underpaid workaholic, demoralized, slutty, divorced single parent **[my own biological mother]** of 2 boys: a 12 year old **[me]** and an 9 year old **[brother]**, consensual custody of the parent's 12 year old son was given to other Bahai families nearby in Clackamas county [The Haines Summer 1984], and then to another "Bahai" family living **Sellwood neighborhood of Portland, Oregon** in September 1984.

Both of this child's parents **[YOURS TRULY THEN]**, The Bahai community of Milwaukie Oregon, The Bahai Spiritual Assembly of Milwaukie Oregon, and many other consulting Bahais from neighboring Bahai communities [throughout the Portland Bahai Metropolitan area] could not understand why the 12 year old boy was harassing his 9 year old younger brother. All of them failed to consider why this 12 year old boy was harassing his 9 year old younger brother. None of these people considered this 12 year old was [periodically] left alone with certain perverted older kids of the same community periodically since at least 1977 through 1982. 1977 was The same year when Jonestown was established!

In summer of 1984, the nine member Local Spiritual Assembly of the Bahai Faith of Milwaukie Oregon collectively buried their heads in the sand at the notion that this child suffered from the Milwaukie Bahai Community's own criminal negligence, especially during the years 1977 through 1982.

The Adult Bahais of these communities who buried their heads in the sand, were almost exclusively white or Caucasian upper middle class and middle class people first generation Bahais from the Baby Boom generation and a little bit older. **(born APPROXIMATELY between 1937 through 1955)**

These people in Milwaukie were not Persian Bahai immigrants. The Iranian Bahai Immigrants seemed to congregate in very affluent and opulent neighborhoods in the West Hills and Suburbs of the Portland metropolitan area.

While the great Bahai communities across United States and Canada were lamenting the great Iranian Islamic dictatorship of 1979, and the horrible persecution of the Bahais there at that time (especially throughout the early 1980's), with all sorts of money drives to support Persian Bahai refugees, the adults who I knew as Bahais turned a blind eye to the real child refugees in their own DAMN COUNTRY! RIGHT HERE IN THE U.S.A!

THEY ALL collectively ALL BURIED THEIR f***ING HEADS IN THE F***ING SAND. THESE IDIOTS AND ASSHOLES BURIED THEIR HEADS IN THE SAND.

religion, "the economic successful" who have material wealth, there is somehow an opportunity of better future family life from the shithole dysfunctional family life from whence the economic refugee victims came from.

A child from the desperate poor families, a vulnerable victim to predatory abuse is extremely suggestible and in real fear of his life as he eventually, inevitably unavoidably, experiences prejudice:

That prejudice is an artificial, manufactured & unjust false stigma most of society imposes on victims of child abuse either because they're awkward and eccentric suffering from post traumatic stress coping in odd ways.

That prejudice is because of the inability for the Victim to prove and only accuse who their perpetrators are far after the abuse occurred.

That prejudice is inadequate luck prosecuting soon enough.

By the time the former victims are ready to choose to report "to authorities" their testimony is unbelievable. People all around them are in denial. And there is a stigma.

Words cannot describe the kind of reluctance to report abuse while under the hospitality, charity and support of foster-like guardians [especially Doug I. Haines (d.o.b. ~07-09-1944 and Carol Haines ~05-30-1948] whose hospitality seemed like such an absolute gift and godsend.

Words cannot describe the difficulty while I was between the ages of 12 through 16.5 in reporting that I had been sexually abused several years earlier in Milwaukie Oregon.

The hospitality, charity, "good" Samaritan-ism of these step parents was loaded with an unspoken difficulty in reporting because then that would **risk** convincing the likes of Carol A. Haines and Doug I. Haines or Donald Wind and Linda Wind that I was too damaged for their great charity of being away from my Parents (who were abusive by criminal negligence and some unspoken areas of heirarchy between siblings and sibling rivalry).

The Summer of 1984 when I was 12 years old The beautiful serene estate in rural Clackamas County that the family of my step parents (Doug and Carol Haines) offered was as a respite from the tensions brewing between my brother and I in the little household of a single mom working graveyard shifts in a little Apartment in Milwaukie, Oregon. The change of living situation was such a relief so comforting that the last thing I wanted to do was let my step parents know I was too damaged with the

stigma of the coerced pedophile homosexual experiences done to me, (as though I somehow agreed to it), to them and my step brothers. (It is a very shameful stigma and taboo after all.)

The (the Estate of Douglas I. Haines and Carol Haines, the Step Parents) with their 2 sons there (Scott C. Haines and Kevin M. Haines) 2 of my stepbrothers, were especially gifted with a very intense nurturing sympathy for my plight and empathy at my plight.

Unfortunately that sympathy and empathy was flawed with cognitive dissonance. That sympathy and empathy was with denial riddled with predation at an unconscious level. They never bothered to ask nor consider if I was a victim of sexual abuse when I was 6 and 10 years old in such a way to feel responsible to handle it had they known. That denial is a recipe for pedophile coverup. Between the ages of 14 and 16, between 1986 and 1988 I was terrified of the returning to the lonely world of life in the Household of my Criminally Negligent Dad, where I'd be harassed and bullied at Sherwood High School as I had been at Sherwood Intermediate school, and so I preferred Molalla Union High School where no one knew me, and there was none of the extreme hazing that had already escalated at Sherwood Intermediate School.

Carol Haines always had an Animal collecting hobby, a nurturing coddling compassionate desire to to heal someone or some pitiful animal or pet or wildlife creature, kept a little yippy dog as her companion, yet she was riddled with ruthless retaliation should that object of pity dare break some unspoken rule that the creature's place was an inferior in the hierarchy to another more important creature. How dare I "Look a gift Horse in the Mouth" was her expression after all.

For the Love of God Does anyone else in this entire fucking world see the latent and blatant sick fuck pathological golden child / black sheep Narcissism of this sick fucking misandrist weird woman and how my own biological mother was completely hoodwinked to go along with the same pathology towards me?

Last I checked about around 2019 Kevin Maxwell Haines (d.o.b. 02-18-1969), her oldest son published a few entries on his facebook timeline that he is estranged from his parents.

She treated her horses like she treated her own sons. "La Cost" the great white Horse Stallion stud was given a Pasture out front, the fat geldings in the back or left in the stalls.

Some of the depths of the pathology of Carol Haines's funny animal farm is best illustrated as Annie Wilkies character in the Horror Movie: "Misery" . Nurturing and accommodating with secret strings attached to those in her custody, in her debt just absolutely loving the victim's false pride and hubris to use against them.

Unlike: Pete L. Mesteth, Marine Corp Veteran during the Vietnam conflict Evacuation in 1975: pimp of his own younger Sister, one Full blooded Indian Oglala Lakota Sioux straight from Pine Ridge Reservation of South Dakota, from the A.I.M. conflict of the 1970's. Pete L. Mesteth: has been dead since 2006, was totally playing my duped gullible Father like an absolute fiddle. With a heavy heart, words cannot describe the abject shame of Pete playing my father as complete Inverted Tonto monkey on Pete's manipulative ass vindictive old Injun leash having his revenge against whitie with a naïve Whitie who had nothing to do with Buffalo massacres or American Indian Persecution. (Dad is full blooded directly descended from Swiss Mennonite immigrants who are pacifists living in Ohio)

Pete L. Mesteth (the other Pineapple Face for reminding me of Manuel Noriega) was very likely one pissed off descendant and close relative of the Wounded Knee Massacre Survivors, the Battle of Little Bighorn Warriors, and relatives of the great reign of terror that went on at Pine Ridge reservation shortly after the Wounded Knee Stand off in 1873 with Russell Means and others. Pete played my father like the stupid fucking white man that he was as some sort of runaway AIMster gangster great resistance against Whitie. Fuck whitie power that shouldn't be went a little too far.

Pete Played my Dad as a ridiculous dorky dipshit derelict dumb fucking mindless monkey mindfuck after the first Divorce of my Mother in 1980 my Dad had some kind of bizarre loss of identity and hallucinated he was an American Indian. He was singing and drumming the PowWow circuit singing Lakota Oglala Songs and talking like a reservation Injun denying his own White European heritage.

Dad was played as a Washishi dumbfuck paleface pretendindian singing and drumming at PowWows totally disrespecting his own ex-Wife's and biological Children's claims of Apache Heritage of the Southwest. The Apache people call these people "The White eyes" for being blind. He was Wannabie bitch monkey Libtard fool. My own Father was played as a fool and eventually blackmailed through lust for Pete's sister Stephanie Mesteth (d.o.b. 1970), (jail bait tramp at the time) when she was invited into that Apartment complex in Sherwood Oregon 780 Gleneagle Drive #15 in 1985 when my Father was 36 years old. My Father was repeatedly referred by Pete as "Bahai John" (slang for duped prostitute client most likely) hoodwinked with the jailbait hebophile / Lolita fetish stigma. Perhaps Dad was deluded that he was gonna get himself some little cute servile Squaw

Bahá'u'lláh states that "Special regard must be paid to agriculture." [78] He characterizes it as an activity which is "conducive to the advancement of mankind and to the reconstruction of the world". God only knows the weird kind of carrot of hollow opportunities dangled at going to University: Oregon State University seeking and pursuing and actually being sort of successful at a witty Career on a shoe string budget, trying to do what Baha'u'llah wants with such half ass support towards a Degree in Forest Management for the love of Baha'u'llah and Agriculture between 1991 and 1995

Contrast all that mixed goals and noble aspiration of being a Good Bahai with the Wannabe PretIndian deluded dufus dissociative identity disorder of my Dad following a proclivity towards a woman way too young and with WHOSE relationship with Dad was suspiciously a little more akin to the "oldest profession" to secure a business relationship with Pete L. Words cannot describe the depths of Irony and stark contrast of discovering my mother resembling **Mildred Cleghorn in "Geronimo and the Apache Resistance"** in mannerisms proclaiming **"We had Moral Standards that were very Strong, but they Called us Savages"** and the ones in total Stockholm syndrome in guise of some fraud form trickled down version of Oglala Lakota Spirituality. some of the Principles taught by Martin High Bear by conning and exploiting dumbfucking libtard Whities however stupid and gullible and desperate they may have been. Everyone knows it.

The Apache Sunrise ceremony, the kind of suppressed religion that powers that should not be wanted to destroy, is a brilliant coming of age Ceremony totally and epically flawlessly in harmony with the words from Baha'u'llah and other Bahai central figures praising Women. I have good reason to suspect my mother was telling the truth when she told me her Grandfather, my great biological grandfather is Apache of some Southwestern Band.

Juan Rojelio I'm sure you are well aware far more than me that The Sunrise Ceremony, the whole Crown Dancers and all the men who defend ("Save Oaks Flat", teaches girls to be true Women who in turn teach their sons and husband to be true Best of Men. The parasite Spanish Conquistadors and Roman Catholic Church and many other waves of ignorant foreigners felt threatened by that spirituality. On a personal note: Words can't describe the ironic stark contrast of

beauty and horror of suffering (described wellbriety movement interenerational trauma / healng) transmuted into intergenerational healing, which led my mother to teach me something about a religion which possessed me to fetch this QUOTE and share it to you now Juan Rojelio : ***"Often in history Women have been the pride of humanity -- for example, Mary, the mother of Jesus. She was the glory of mankind. Mary Magdalene, Asiyih, daughter of Pharaoh, Sarah, wife of Abraham, and innumerable others have glorified the human race by their excellences. In this day there are women among the Bahá'ís who far outshine men. They are wise, talented, well-informed, progressive, most intelligent and the light of men. They surpass men in courage. When they speak in meetings, the men listen with great respect. Furthermore, the education of women is of greater importance than the education of men, for they are the mothers of the race, and mothers rear the children. The first teachers of children are the mothers. Therefore, they must be capably trained in order to educate both sons and daughters. There are many provisions in the words of Bahá'u'lláh in regard to this.***

With such a Great Spiritual Warrior society of these Apache people defending their sacred lands against both the United States Government and for 500 years prior: the hoard of Spanish Conquistador Stockholm syndrome Mestizo Mexicans who succumbed to the cruelty of the fag pedophile Roman Catholic Church inquisition, and all the detritus that their sick fucking Drug Cartels perpetrate against women in places like Ciudad Juarez today, and all that fraud Christianity that it entails, with these Roman Catholic Clergy molesting little boys and girls for eons, and considering the ghetto unsustainable squalor slum of somewhere in Denver Colorado in 19th of December 1948, where my mother was born into in that environment of Spaniard Conquistador stockholm syndrome certain Reservation full blooded Indians who want to tell me I know not suffering like them and want to silence me like the one who told me to shut up do not know the depths of Trauma of my Mother.

WHAT COULD BE more shameful that Bahais would be so arrogant as to consider that some of the most brilliant Bahai principles (educating & protect children) are original to "Bahais" and are practiced and exclusively owned by "Bahais"? and that the world revolves around rescuing Bahais from Iran as THOUGH the Persian Bahais were the Most Holiest Spiritual people in the world "Holier than Thou" by virtue of

being Bahai refugees from Iran? Does any Bahai nowadays forget the Great Voyages that Amatu'l-Baha did garnering the utmost respect from Indigineous people of South and North America?

The documentary "[Geronimo and the Apache Resistance](#)", several documentaries on the "Apache Sunrise Ceremony" and considering how the United States Government committed Holocaust and Genocide on those peoples exiled as P.O.W.'s, with their children put in horribly cruel Boarding Schools. Isn't this PERSECUTION and the multigenerational Trauma, just a little bit reminiscent of all the woes of the Great Bahai Holy Family of Baha'u'llah's exiles?. **Their suffering deserves a special amount of respect and is the story that helps me forgive my mother more than anyone else who was cruel to me in the entire world and in my entire life.**

You Bahais who advocate that the Iranian Government is so horrible to Bahai Persians, yet live Posh Opulent lifestyles, shrewd close knit, racially seperated and segregated as success stories here in the USA and Canada thriving, Why would the cruel dominant societies of North America that persecute American Indians be any less destructive than the Islamic terrorism done to Bahais in the Middle East considering the depths of cruelty done to these Spiritual Warrior people's ways?

It's a damn shame my father could **never adequately respect that part of my Mother's claimed heritage** and never bothered to learn about Apache culture in true complete respect for American Indian heritage that he was bound to by siring me, instead of following Pete L. Mesteth's brand of jarhead philandering bullshit half wit promoted Oglala Lakota spirituality. Even if Apache culture is not my mother's true heritage, and she is all 100% Mediterranean / European Spanish conquistador : My mother's fantasy she is Apache and romanticizing Apache People as the people loving and protecting and respecting their youth and children was a great beautiful Prayer to remedy her broken heart. Extreme PTSD causes dissociative identity disorder as an anesthetic antidote to the horrors my Mother claims she experienced from being adopted and tortured and shattered into MK ultra Monarch mind controlled level of abuse locked in basement for days by a psychopathic wicked step mother.

YOU think MAYBE the Bush-Billary Clinton crime syndicate with Prescott Bush stealing and robbing and collecting Geronimo's Skull and perpetrating other horrible disrespect onto American Indian Spiritually is a FORM of tyranny, and all the disgusting gay pedophile pedocidal psychopathy that goes with that Skull and Bones Cult Just might be as Wicked and disgusting as Islamic molesters of little boys with Bachi Bazi sickness, and all the while tormenting Bahais in Iran and other Islamic shithole countries?

You must give great importance to teaching the Indians, i e., the aborigines of America. For these souls are like the ancient inhabitants of Peninsular Arabia, who previous to the Manifestation of His Holiness Muhammad were treated as savages. But when the Muhammadic light shone forth in their midst, they became so illumined that they brightened the world. Likewise, should these Indians and aborigines be educated and obtain guidance, there is no doubt that through the divine teachings, they will become so enlightened as in turn to shed light to all regions.

In 1984 at a Summer School Bahai School retreat near Howard Prairie Lake in Jackson County Oregon. The sweet Mom of that eccentric pseudo-Vegetarian family (Linda Wind d.o.b. Mid either 11th and 12th of March of 1950) dramatized as “Canuckistanian Fat bitch”) was a friendly 34 year old stepmother who offered serenity at their seemingly lovey dovey home in The Portland Oregon neighborhood of Sellwood in 1984. [As a side note, any I attraction to Sundari Wind ended abruptly overshadowed by women far more attractive, with beautiful doe eyed brown eyes absolutely sweet bombshells of Sellwood Middle School my age and many afterwords to this day that I still think of with furious rage that I was too ashamed of my parents and too socially awkward and frightened to approach them like a civil Chaste and Holy human being.]]

true heterosexual adult by the time you are an adult man because you've discovered you're too damaged and unworthy to be Bahai Husband material to earn that privilege of a "Fortress For Well being And Salvation"?

and all that Parental Consent Law Requirements ? What has a heterosexual person whose been a child victim of gay pedophiles have to lose if he's already stigmatized as unchaste and unholy or being traumatized and duped as a child? ridiculously naive and gullible, at the mercy of predators, causing more and more child abuse and gender estrangement, has got to be one of the most absolute most evil and ancient dirtiest tricks on the face of the earth.

"And if he met the fairest and most comely of women, he would not feel his heart seduced by the least shadow of desire for her beauty. Such an one, indeed, is the creation of spotless chastity. In 1984, Little did I know that the Wind family had problems FAR too difficult for the likes of my added burden. Words cannot describe the puerile innocence lost and awkwardness that went on. The same deep lament in the soundtrack to the movie ["Donnie Darko Artifact and the Living"](#) when I saw that Movie, was the trigger for the sound of the Organ music at Oaks Park roller skating rink way back in 1984, and all that awkwardness and serene puerility puppy dog love at encountering young women my age while starting to become a young man at Sellwood Middle School.

I hate everything about me that is unable to grow up to be a man who is optimal ideal Bahai husband and father material, "Chaste and Holy" who was worthy and unhindered uniting with a woman who is optimal and ideal wife and mother material AS optimal and ideal father and husband material to her.

WOE TO THE WICKED SICK PSYCHOPATH / criminally negligent parents and their deranged black sheep / golden child injustice programming trauma mind control done to their own children, because these parents unconsciously hate their children! brought children into this world. These children will all grow up to remember and account for your sick wicked ways as the complete pedophile enabling derelict narcissistic dipshit dumbfucks you all areand account for each and every one of your disgusting transgressions against children's rights. Your cruelty will never be forgotten. If there is any shred of sympathy I maintain towards Krampus or any one who becomes a pedophile its that he was the Black sheep totally left alone by his Parents with pedophile babysitters who programmed him to in turn abuse vulnerable children probably at least as bad as David Shurter has confided to doing.

The very fact that I mention David Shurter desperately trying to redeem himself for his owns sins and sickness as Krampus's peer (David is only a month older than Krampus), . . .its because I totally remember Krampus's mother (Alice Moore) and her depraved dingbat psychopathic complacent butt ugly morbidly sick contorted face (like Greta Thunrberg's) with the gall to whine to Krampus about the miserable poor persecuted Iranian Bahais, and passing around Hand of the Cause Bill Sears's book "A Cry From the Heart" like it was sacred texts, when the Bahai Persian Immigrants I met always had posh opulent homes in the Affluent hills of Lake Oswego, West Linn, & and Portland. I am not trying to be racist, but there was obvious tensions. Like most all immigrants who survive, there is a shrewd well organized clannish segregated defensive strategy to live as a cohesive ethnic group. They were a survivors and Refugees of a Sick fucking society.

There's a certain elation to proclaim the Islamic extremist Iran is no less sick than right here in the USA. Rampant gay pedophilia goes on in Iran and Afghanistan. This gay pedophilia is all well documented as

"the indescribable state of decadence, with its attendant corruption, confusion, intolerance, and oppression, in both the civil and religious life of Persia, so graphically portrayed by the pen of a considerable number of scholars, diplomats, and travelers, at the hour of the Revelation of Bahá'u'lláh" - Advent of Divine Justice by Shoghi Effendi

"an excessive and binding materialism has unfortunately engendered within it" immersed in a sea of materialism, a prey to one of the most virulent and long-standing forms of racial prejudice, and notorious for its political corruption, lawlessness and laxity in moral standards

"Bachi Bazi" "dancing boys". Why wouldn't there be at least as many little boy child molesters of Iran there as there are in the USA?. It is difficult to see these revered people from the land of Baha'u'llah as much different from their Islamic boy bugging Howling towel heads in their Islamic stockholm syndrome from such culture for being so far away from the abuse that happened to me in the USA.

Words cannot describe how in better circumstances of a true loving Bahai Community instead of the disgraceful debauchery and dumbfuckery of weird Narcissistic Babyboomer psychopaths #fakebahais had I been way better at ease to socialize and interact with people with these Bahai phrases as "Chaste and Holy" "Happy and Joyful Being" .

That is, it is enjoined upon the father and mother, as a duty, to strive with all effort to train the daughter and the son, to nurse them from the breast of knowledge and to rear them in the bosom of sciences and arts. Should they neglect this matter, they shall be held responsible and worthy of reproach in the presence of the stern Lord.

This is a sin unpardonable, for they have made that poor babe a wanderer in the Sahara of ignorance, unfortunate and tormented; to remain during a lifetime a captive of ignorance and pride, negligent and without discernment. Verily, if that babe depart from this world at the age of infancy, it is sweeter and better. In this sense, death is better than life; deprivation than salvation; non-existence lovelier than existence; the grave better than the palace; and the narrow, dingy tomb better than the spacious, regal home; for in the sight of mankind that child is abased and degraded and in the sight of God weak and defective. In gatherings it is ashamed and humiliated and in the arena of examination subdued and defeated by young and old. What a mistake is this! What an everlasting humiliation!

That time at the Wind's household ended with mischievous juvenile delinquency with Vimal and Sundari and lots of other peers into drugs and alcohol when I was sent to live at to my father's household in Sherwood Middle School from Spring of 1985 through Spring of 1986. The time in the town of Sherwood was the marked with weekend after weekend alone with a crowd of Stoner Heavy Metal peers as my friends, more drugs and alcohol, and criminal negligence from my Father who ran the gamut of being the deluded dumbfuck pretendIndian that was going from PowWow to PowWow with Pete L. Mesteth.

In 1986 The beautiful serene estate in Clackamas County that the family of my step parents offered was Godsend compared to the vicious cruelty of public schools bullies and peers hazing in Sherwood, Oregon

while at my Dad was absent at Indian Powwows. I simply wanted my affiliation within the town of Sherwood Intermediate school at Sherwood Oregon to end, to bury my nose into school at Mollalla High School, cause no trouble, forget the drug abuse that went on for the past 2 years and jump through the hoops of what I thought were the necessary things to do. 1 of The last things I wanted do was admit to being a victim of homosexual sexual abuse, what was going on and be subject to the escalation of step siblings' condescension as an unwelcome guest in their households (more than I already was), along with the shame of having experienced being groomed by a pedophile into gay sex, when I was between 7 and 10 years old child.

BACK IN THE 1980's especially: How could the average blissed out bliss bunny Baby Boomer working class heroes & yuppy studs of their households in Bahai Communities: [THE LIKES OF MY OWN FATHER John C. How can he not think its the fruits of his religion that are his Merit? How can he not be complacent surrounded in a community of wealthy upper & middle income with his smooth sailing life of material success, possibly imagine or sympathize with claims of survivors of child abuse furiously claiming there is a legacy of such communities hating children of poor families?

How can these complacent white collared yuppy snobs AND dufus dumbfuck blue collared tools NOT be in denial that there were cases where these children are treated as subhuman and less than human than these complacent snobs? When in fact these children are no less human being worthy of respect as any other child ?

And so the child hides his abuse well into adulthood because he knows damn well he will have to endure stigma and be blamed for abuse that was entirely not his fault whatsoever for the rest of his life. This abuse of denial of/from all those around him is far worse than the initial abuse.

with each and every sick mother****ing complacent pig, pimp, prick, cunt, madam, and asshole, and any other underworld organized crime syndicate ring involved.

As one follows and learns about some high profile extreme sex scandal whistleblowers, Human traffic whistleblowers, extreme child abuse whistle blowers, Satanic Ritual Abuse survivors and all sorts of other scandal whistle blowers,

one discovers there is a lot of them who make some publicity stunts mixed with inconsistent statements that renders them as proverbial "boys who cry wolf" /shills/ frauds/ charlatans / gatekeepers / "controlled opposition" "limited hangouts", etc. . At least 1 individual I mentioned by me as a great exposor in 2014 has now made it obvious to anyone paying attention that his great work is a fraud, he is a propaganda tool, an apologist for architects of government cruel child abuse, a stolen valor, a pathological liar, and a psyop designed to distract.

Child abuse scandal cover ups have gone on with impunity because the abusers are banking with clockwork accuracy and shameless arrogance the helplessness defenselessness of children will result in adulthood programmed into stockholm syndrome and dissociative identity disorder and **slavery!**

A discerning compassionate soul who truly loves the Bahai concept of "Justice" being the "best Beloved of all things" will know the madness of PTSD (Post Traumatic Stress/Slave Disorder) should never be discredited nor belittled. It is not uncommon for survivors of extreme child abuse to make claims of abusers being infected with "devil spirit", "the archons", and all sorts predator monster mythological creatures such as shapeshifting reptiles, demons, or some bizarre butt ugly freaking Cthulu

monsters. Or perhaps alien grey creature monsters with secret Alien Nazi Anarctica bases? The science fiction & fantasy horror metaphors are absolutely endlessly appropriate for the notoriety of the abominable debauchery that child abuse absolutely is. They are every imaginable swamp monster Ringwraith from the depths of the deepest darkest cesspool swamp of the dead marshes of the dead cesspools from the Lord of the Rings.

1 of the abusers of my past is Krampus and the weird bizarre comical and wild antics of David Shurter is Saint Nicholas. Everything about their astrological birth charts warrants that they are quintessentially the enochian bizarre ancient reality of the month before followed by the month after the Winter Solstice. The Good Cop Bad Cop Routine. Zeus & Kronos, Jupiter and Saturn, Capricorn and Sagittarius. It is the metaphor that deserves to be immortalized.

Fellow survivors and the rare truly good therapists and social workers validate these metaphors and see those who describe metaphors as no less of a human being. Unfortunately the vast majority of society, the absolute Cult of Quackery, "white jacket cult", fraud, deception of modern psychiatry and mainstream medicine are the Nurse Ratchets ARCHEType of Sterile Doll-face Android drone NPC's.

They're still straight out of the "One Flew Over the Cuckoo's nest Novel". These quacks can hardly cease from looking at these Satanic Ritual Abuse victims in heartless cruel denial.

They are covering them up again, again, and again with even some pseudo quacks, new age nut alternative fluff charlatans like Ann Fillmore. And they are absolutely banking on victims' demoralized state, discrediting their suffering, orchestrating and initiating 302's with the dumbest fucking order following sadistic family members, and mindless cops. And these cops are often tools with tiny little testicles on a leash.

These cops are everything that Mark Passio describes as "Order followers", again and again and again and again.

And all that coverups happen so that the nervous breakdowns and incoherent strange behavior of someone suffering from PTSD is coerced into forced medications, medically kidnapped and committing pedophile cover up again and again and again. These dark arrogant normalizations of child abuse are an old ancient dirty trick to continue slavery that cannot be overemphasized.

Every great child abuse scandal always **seems to** involve a great sales pitch/**slogan** pitch for better opportunity,

Every great child abuse scandal always starts with a sales pitch for better opportunity. The greatest sales pitch for all organized religions and all business propositions is opportunity for better family life. The sales pitch /**slogan** for the Bahai Marriage and better family life is the principle of "Family Unity" and "chastity".

And the people who pushed those sales pitches / **slogans have all too often** proven to be completely the contrary to me. An Ex-mormon (**Clyde Lewis of Ground Zero Radio**) who was raised Mormon once describe this **sales pitch/[slogan]** in Mormonism to me as the phrase "Families forever".

Bahai Law requires parental consent for marriage. Each man and woman who considers marriage, must thoroughly investigate and negotiate each other's parents [**& prospective parent in-laws**], and get permission from all four parents (who are prospective grandparents) so marriage will be successful and survive, so that there will be no lustful flings, and that only sex that ever happens is loving monogamous heterosexual sex inside marriage between an adult consenting husband and wife, [**with the intention of being life partners**], with all children well planned occurring, thereby fostering family unity, chastity, and fidelity.

1235. The Law of Parental Consent is to Strengthen Family Relationships

"Bahá'u'lláh has clearly stated the consent of all living parents is required for a Bahá'í marriage. This applies whether the parents are Bahá'ís or non-Bahá'ís divorced for years or not. This great law He has laid down to strengthen the social fabric, to knit closer the

ties of the home, to place a certain gratitude and respect in the hearts of children for those who have given them life and sent their souls out on the eternal journey toward their Creator. We Bahá'ís must realize that in present-day society the exact opposite process is taking place: young people care less and less for their parents' wishes, divorce is considered a natural right, and obtained on the flimsiest and most unwarrantable and shabby pretexts. People separated from each other, especially if one of them has had full custody of the children are only too willing to belittle the importance to the Bahá'í laws and teachings, combat these corrosive forces which are so rapidly destroying home life and the beauty of family relationships, and tearing down the moral structure of society."

(Compilations, Lights of Guidance, p. 369)

There is nothing inherently wrong with such thorough accountability and planning involved, however, the reality of Bahai Marriage parental consent law, in at least in my case and in many others where the parents are criminally negligent to their own children, the burden of proof that these parents were criminally negligent rests entirely on their victimized children, who often cannot prove a damn thing by the time they are adults and aware of what of went wrong. The child is surrounded by people in complete denial who all who choose to bury their ******ing** heads in the ******ing** sand.

The only way around the parental consent law is revoked is when the parents are either dead or declared unworthy by the Bahai "Universal house of justice" who are very far away in Haifa Israel, who cannot possibly be a witness to the circumstances in such cases. **So what's left except as much all out balls clear, coherent and truthful as absolutely possible testimony delivered?**

relationships as monogamous mating bonding pairs, lovers, best friends, and life partners with partners of the opposite sex naturally and functionally designed to compliment each other, as 1 mother and 1 father, 1 man and 1 woman, 1 husband and 1 wife, completely loyal to each other with a safe place to reproduce and raise their own biological children healthy, chaste, and free from abuse must by every means necessary strive to annihilate all sources of deprivation of such opportunities, and categorically admit such sources of deprivation are the mortal enemies, of such human beings' who strive for such ideals and optimism. And when such human being is such an unfortunate innocent soul and recognizes these ideal principles, he must have the will power to fight to the absolute death and seek martyrdom rather than be content with an inferior lot in life. To die on one's feet standing up fighting one's enemies, for the right to be with one's lover, is always better than living grovelling as a slave. Majnun forgetting his Life for the Love of the true spiritual Layli in the book the 7 Valleys by Bah'u'llah is pertinent here. The death penalty for **EITHER being a Messenger DELIVERING THE TRUTH of JUSTICE** (a.k.a. Otherwise the human race is doomed to extinction.

Under Bahai Law, there is no lawful sex act outside of monogamous heterosexual marriage with parental consent in the Bahai Faith. Yet Baha'ullah himself was polygamous who took advantage of his elitist

heredity Persian royal privileges and customs of **[polygamy] 3 extra wives.**

Warning: Graphic shock content:

Baha'ullah's aristocratic royal elitist penis (of Shiite Muslim tradition) was worthy and betrothed of the exclusive privileges of inhabiting the 3 vaginas of 3 different. 3 vaginas which were not to be entered for sexual pleasure by anyone else other than from his elitist penis (his hereditary elitist penis of the aristocracy).

Although Baha'ullah's successor, his primogeniture eldest son (Abdu'l-Baha), was completely monogamous and faithful to his daughter-in law and clarifies monogamy is the Bahai Law, I find it very difficult not to see Baha'ullah's polygamy as hypocrisy.

REGARDING Baha'u'llah's polygamy. In my opinion polygamy is a recipe for disastrous consequences: primarily of pathological envy and pathological jealousy by design no matter what the culture, period of history or "Dispensation".

'Marriage & Parenting' by Hand of the Cause of God 'Amatu'l-Bahá Rúhíyyih Khánum

Don't start fighting. Don't begin to assert yourself. You see there is a very belligerent attitude on the part of women today. I remember once years ago a journalist asking me what I thought in about women's lib I think this was 1970. I said what's that? I'd been traveling in jungles and things I hadn't seen any newspapers I didn't even know what Women's lib was. I said what's that? Oh he said it's this and that and he explained the women's liberation movement I said I don't approve of it but if you want to start a men's lib society in the United States I would be glad to join it!

and he was delighted came out in two inch headlines but although women should have equal opportunity and equal rights and social justice with men I don't believe

in any attitude on the part of either men or women that leads to disputation and assertion of rights at the expense of harmony and so on and I think that this is often what happens in marriage the woman or the man conditioned by the psychology of the society in which we are living nowadays enters it with a me first attitude you know people have called this the me first period of this century and this is really what's one of the fundamental things that's wrong with the whole century is that it's me first me first to a degree that even affects mothers in relationship to children.

Tammy Wynette - Stand By Your Man (Lyrics)

Stand by your man, give him two arms to cling to

And something warm to come to, when rights are cold and lonely

O YE two believers in God! The Lord, peerless is He, hath made woman and man to abide with each other in the closest companionship, and to be even as a single soul. They are two helpmates, two intimate friends, who should be concerned about the welfare of each other.

If they live thus, they will pass through this world with perfect contentment, bliss, and peace of heart, and become the object of divine grace and favor in the Kingdom of heaven. But if they do other than this, they will live out their lives in great bitterness, longing at every moment for death, and will be shamefaced in the heavenly realm.

Strive, then, to abide, heart and soul, with each other as two doves in the nest, for this is to be blessed in both worlds. - Abdu'l-Baha

Genesis 1:27 ∨ King James Version ∨

27 So God created man in his own image, in the image of God created he him; male and female created he them

In my own lifetime, the hard won weird extreme test of Having witnessed and survived extreme dysfunctional family dynamics in a Bahai community was a crucible to show me a very consistent pattern of dysfunctional families / a.k.a. (families deficit of Bahai principles of "family unity") afflicting all of society.

About that pattern of dysfunctional families / (families deficit of Bahai principles of "family unity") Here are some areas of research:

- **An alternative school of psychology centered around studying those afflicted with "narcissistic personality disorder"**. Some more key words to plug into an internet search engine describing this psychology include:

"black sheep and golden child" programming in early childhood

Where

at least 1 sibling is favored over the others

at least 1 sibling is treated cruelly while the other is spoiled
etc.

AND THAT "golden child" in the gladiator training sibling rivalry programming is usually the Younger one, while the Eldest child is the **"Black sheep"**, but not necessarily. The irony of the extreme and stark contrast of #fakebahai family: Krampus's Mom (Alice Moore) occupying the sugar daddy cock of wealthy nerdy ole CPA (Dean Moore) to sire a half-brother by the name of that Martyr discussed earlier, 8 years younger than him, and the absolute detestably abominable criminal negligence to program Krampus to be a perpetrator against me, while the younger sibling was coddled and preferred is undeniably the case IMHO.

This isn't to sympathize with Krampus in anyways, **but the utmost sympathy for the human innocent child he once was**, and to root and weed out the origins of this f.u.b.a.r. pathologized sexuality and eradicate and exterminate this disease off the face of the earth! (punishing the dirty deed in a way the dirty deed is never done again is far more important than punishing an alleged doer)

These dysfunctional patterns of blacksheep/golden child programming are apparent to me in:

1. From the family of my own biological parents'

62 of 148 **"MATTHEW 25:40** And the King shall answer and say unto them, Verily I say unto you, Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me." **HW Arabic #30 "O SON OF MAN! Deny not My servant** should he ask anything from thee, for his face is My face; be then abashed before Me."- Baha'u'llah

2. The families of those who abused me when I was a child (in and out of Bahai communities within the PDX metro area)
3. both of my 2 different step parent families between 1984 and 1988
4. And in the families of some of the most successful high publicity Bahai speakers, scholars, with celebrity status, academic credentials and respect. These are High Publicly respectable, extroverted, outgoing, and charismatic people within the Faith.

Even though many of these marriages were hostage situations **I bear witness to** were riddled with addictions, and sometimes ending in divorce, at least they had a veneer of monogamy.

The extreme sibling rivalry and envy in these the families was so disgusting, that I cannot imagine this pathology anything other than only being worse in polygamous situations of Islamic and Persian elitism / aristocracy, which the legacy of the Bahai history of the Bahai Holy Family exhibited. Such history is obvious to **ANYONE** who knows anything about Bahai history! [Abdu'l-Baha Will and testament especially condemns his traitor younger brother from another mother.](#)

The kind of bizarre circumstances that a Great "Manifestation of God" Baha'u'llah was and couldn't be radical superhuman super hero revolutionary enough to go find 2 eligible Bahai bachelor guys for the supplementary 2 of the lonely women he was betrothed to instead of marrying these resentful bitches as sidekick 2nd and 3rd wives, while his 1st wife Navvab a.k.a. [Asiyih Khanum, The Wife of Bahá'u'lláh and Mother of 'Abdu'l Bahá](#) https://www.youtube.com/watch?v=nhp_3G-aa1g&t=0s was obviously the preferred wife is very difficult for me to wrap my head around. Claims of his Elitist Iranian Persian aristocrat privileges of the times be damned! Or that he hadn't declared His Mission or wrote the Kitab'I'Aqdas be damned! I can understand a certain amount of polygamy in cases where women outnumber men drastically, but not why a Manifestation of God would partake

I know something about that kind of estranging between siblings of envy programming! I am all too aware of similar estranging between siblings and cousins with envy programming! Words cannot describe extreme devastating consequences of a mother in disparity and scarcity and fear of inferiority belittling her own child with envy! Words cannot describe the cruelty of "black sheep and golden child" brainwashing in early childhood And all

63 of 148 **"MATTHEW 25:40** And the King shall answer and say unto them, Verily I say unto you, Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me." **HW Arabic #30 "O SON OF MAN! Deny not My servant** should he ask anything from thee, for his face is My face; be then abashed before Me."- Baha'u'llah <https://bahaipdxwitness1984.wordpress.com/> 2-19-23 (minimal polishing)

that splitting that goes on! Words cannot describe the cruelty of a parent who completely ignores one child of hers being completely abused and coddling and completely nurturing the other spoiling the living shit out of that child!

An example from my lifetime the way my mother projected her envy of my Aunts (my father's Sisters) on to me was by telling me my cousin peer (about my age) "bosses me around" when we were both only 4 years old! Baha'u'llah's 2nd wife for example, *Mahd-i-'Ulya (Fatimih Khanum) mother of "The Center of Sedition, the Prime Mover of mischief, Mirza Muhammad Ali" (Abdu'l-Baha, The Will and Testament, p. 5)* probably programmed her son with all sorts of lies in early childhood about how his older brother from another mother (Abdu'l-Baha) was his absolute mortal enemy he needed to destroy! Abdu'l-Baha probably was well aware of this dysfunctional family dynamic enduring the brunt of it himself and for that reason there's nothing to suggest Abdu'l-Baha enduring his conniving brother's irredeemable envy finalized abolishing polygamy for that reason rather than Baha'u'llah himself! Given this quote: "The text of the Aqdas upholds monogamy, but as it appears also to permit bigamy, the Guardian was asked for a clarification, and in reply his secretary wrote on his behalf: "Regarding Bahá'í marriage; in the light of the Master's Tablet interpreting the provision in the Aqdas on the subject of the plurality of wives, it becomes evident that monogamy alone is permissible, since, as 'Abdu'l-Bahá states, bigamy is conditioned upon justice, and as justice is impossible, it follows that bigamy is not permissible, and monogamy alone should be practiced."

(The Universal House of Justice, 1995 Oct 23, Wives of Baha'u'llah, p. 3)

1. MORE BAHAI QUOTES ON MONOGAMY verses POLYGAMY:

89. Beware that ye take not unto yourselves more wives than two. Whoso contenteth himself with a single partner from among the maidservants of God, both he and she shall live in tranquillity. # 63

While the text of the Kitáb-i-Aqdas appears to permit bigamy, Bahá'u'lláh counsels that tranquillity and contentment derive from monogamy. In another Tablet, He

64 of 148 "MATTHEW 25:40 And the King shall answer and say unto them, Verily I say unto you, Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me." HW Arabic #30 "O SON OF MAN! Deny not My servant should he ask anything from thee, for his face is My face; be then abashed before Me."- Baha'u'llah <https://bahaipdxwitness1984.wordpress.com/> 2-19-23 (minimal polishing)

underlines the importance of the individual's acting in such a way as to "bring comfort to himself and to his partner". Abdu'l-Bahá, the authorized Interpreter of the Bahá'í Writings, states that in the text of the Aqdas monogamy is in effect enjoined. He elaborates this theme in a number of Tablets, including the following: 206

Know thou that polygamy is not permitted under the law of God, for contentment with one wife hath been clearly stipulated. Taking a second wife is made dependent upon equity and justice being upheld between the two wives, under all conditions. However, observance of justice and equity towards two wives is utterly impossible. The fact that bigamy has been made dependent upon an impossible condition is clear proof of its absolute prohibition. Therefore it is not permissible for a man to have more than one wife.

Polygamy is a very ancient practice among the majority of humanity. The introduction of monogamy has been only gradually accomplished by the Manifestations of God. Jesus, for example, did not prohibit polygamy, but abolished divorce except in the case of fornication; Muhammad limited the number of wives to four, but making plurality of wives contingent on justice, and reintroducing permission for divorce; Bahá'u'lláh, Who was revealing His Teachings in the milieu of a Muslim society, introduced the question of monogamy gradually in accordance with the principles of wisdom and the progressive unfoldment of His purpose. The fact that He left His followers with an infallible Interpreter of His Writings enabled Him to outwardly permit two wives in the Kitáb-i-Aqdas but uphold a condition that enabled 'Abdu'l-Bahá to elucidate later that the intention of the law was to enforce monogamy.

Dear xxxx,

....

1

Regarding the wives of Bahá'u'lláh, extracts from letters written on behalf of the beloved Guardian set this subject in context. They indicate that Bahá'u'lláh was "acting according to the laws of Islam, which had not yet been superseded", and that He was following "the customs of the people of His own land":

2

...as regards Bahá'u'lláh's marriage it should be noted that His three marriages were all contracted before He revealed His Book of Laws, and even before His declaration in Baghdad, at a time when Bahá'í marriage laws had not yet been known, and the Revelation not yet disclosed.

(25 May 1938 to a National Spiritual Assembly) 2

3

Bahá'u'lláh had no concubine, He had three legal wives. As He married them before the "Aqdas" (His book of laws) was revealed, He was only acting according to the laws of Islam, which had not yet been superseded. He made plurality of wives conditional upon justice; 'Abdu'l-Bahá interpreted this to mean that a man may not have more than one wife at a time, as it is impossible to be just to two or more women in marriage.

(11 February 1944 to an individual believer)

66 of 148 **"MATTHEW 25:40** And the King shall answer and say unto them, Verily I say unto you, Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me." **HW Arabic #30 "O SON OF MAN! ...Bahá'u'lláh married the first and second wives while He was still in Tihiran, and the third wife while He was in Baghdad. At that time, the Laws of the "Aqdas" had not been revealed, and secondly, He was following the Laws of the previous Dispensation and the customs of the people of His own land.

(14 January 1953 to an individual believer)

5

The three wives of Bahá'u'lláh were:

Nawab (Asiyih Khanum): married some time between 24 September and 22 October 1835; died 1886; seven children.

Mahd-i-'Ulya (Fatimih Khanum): born 1828; married 1849; died 1904; six children. She broke the Covenant after the Ascension of Bahá'u'lláh as did all her children. See God Passes By (Wilmette: Bahá'í Publishing Trust, 1987), chapter 15.

Gawhar Khanum: married in Baghdad; died during the Ministry of 'Abdu'l-Bahá; one child. She and her daughter both broke the Covenant after the Ascension of Bahá'u'lláh. See God Passes By, chapter 15.

On the subject of monogamy, it is stated in note 89 of the Kitáb-i-Aqdas:

Polygamy is a very ancient practice among the majority of humanity. The introduction of monogamy has been only gradually accomplished by the Manifestations of God. Jesus, for example, did not prohibit polygamy, but abolished divorce except in the case of fornication; Muhammad limited the number of wives to four, but making plurality of wives contingent on justice, and reintroducing permission for divorce; Bahá'u'lláh, who was revealing His Teachings in the milieu of a Muslim society, introduced the question of monogamy gradually in accordance with the principles of wisdom and the progressive unfoldment of His purpose. On page 39 of A Synopsis and Codification of the Kitáb-i-Aqdas it is stated that "Plurality of wives is forbidden." The note explaining this appears on page 59 and states:

8

The text of the Aqdas upholds monogamy, but as it appears also to permit bigamy, the Guardian was asked for a clarification, and in reply his secretary wrote on his behalf: "Regarding Bahá'í marriage; in the light of the Master's Tablet interpreting the provision in the Aqdas on the subject of the plurality of wives, it becomes evident that monogamy alone is permissible, since, as 'Abdu'l-Bahá states, bigamy is conditioned upon justice, and as justice is impossible, it follows that bigamy is not permissible, and monogamy alone should be practised." OTHER ways of describing PROBLEMS with Non-Monogamy:

Having thought much about the subject of polygamy before the times of Baha'u'llah and Abdu'l-Baha, and after the times of Baha'u'llah and Abdu'l-Baha. If there is some kind of justice purpose of polygamy, I can only conclude such justification of polygamy was for emergency survival purposes in circumstances where there is a disproportion of men to become husbands, especially when there's a lot of widows from shortages of men after war or something.

Polygamy as practiced in the time of Baha'u'llah as it still is in most parts of the world was often an elitist greed induced privilege where the disproportion of men was most likely artificially subverted through injustices most notably **exploitation of some sort or another:**

Including:

pedocide (King Herod 's edicts in biblical times, poison vaccines and fraud sanctioned medical poisoning and kidnapping in modern times)

Perhaps relative to the other elitist caste of men of Persia of

If "Nature" designs an archetypal organism with inherent and pronounced specifications. In order that these specifications perform a particular function: [check me?] said function and design to fulfill a specific purpose, what then must be assumed if said design specifications do not function to inevitably fulfill its ultimate purpose . . . ??!
Put it another way: If design denotes function, and function must ultimately follow and fulfill the purpose of the design, what must be assumed when the MIND OF said organism operates CONTRARTY to the ultimate intention of the design that houses it . . . ???
Answer: A MUTATION IN ORGANO-MECHANICS. LEADING TO A MENTAL MAL-FUNCTION OF THE ORGANISM...!!!
DESIGN DENOTES FUNCTION
BUT WHAT COULD POSSIBLY CAUSE A MUTATION ON ORGANO-MECHANICS, LEADING TO THE MENTAL MAL-FUNCTION OF AN ORGANISM . . . ??!
ANSWER . . . ENDOCRINE DISRUPTORS . . . !!!!
"Endocrine disruptors" YOU ALL get to KNOW that phrase. . . Because Every DAMn THING in this Society is an Endocrine Disruptor!

2:16 Then Herod, when he saw that he was mocked of the wise men, was exceeding wroth, and sent forth, and slew all the children that were in Bethlehem, and in all the coasts thereof, from two years old and under, according to the time which he had diligently enquired of the wise men.

(King James Bible, Matthew)

Child Abuse: In particular: Pedophilia, Pederasty is a disgusting oldest and cruelest form of subjugation and exploitation.

I AM NOT A BETA MALE FOR THIS fraud **ING ALPHA MALE GOD!**

When the condition of marriage is so dependent on the permission of parents, regardless of their integrity, there is no real difference between arranged marriages from conservative Islamic cultures, European aristocracy and various other antiquated cultures and customs of the world.

I DO NOT CONSENT TO THIS COCK BLOCKING BULL SHIT!

Absolutely no one chooses their own parents and no one should be condemned by them either, but in the brutal competitiveness of elitist scum of the earth controlling the population, with Eugenics [**EpiEugenics**] pedigree schemes, from the likes of Margaret Sanger founder of Planned Parenthood, Malthus and selective social Darwinism, the great religious laws of chastity and all the bull shit terrorizing people with fear & terrorizing children with fear of falling short of ideals, can easily be exploited into cruel competitive strategy.

The worst sexual abuse: pedophilia, seems to be mostly from puritanical societies that obsessively stigmatizes undesirable sexual relations and sex acts to the point of blaming the victims of sexual abuse and rape, keeping innocent victims silent, and the crimes continuing for multiple generations, spanning eons.

Pedophilia, Homosexual coercion, prostitution and all the twisted sick recruitment involved are all very ancient dirty trick of cruel heterosexual competition. The greatest homophobes are also the greatest hetero-phobes and the greatest hetero-phobes are also the greatest

71 of 148 **"MATTHEW 25:40** And the King shall answer and say unto them, Verily I say unto you, Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me." **HW Arabic #30 "O SON OF MAN! homophobes. Homophobia and Heterophobia compliment each other. Dependent origination where pedophiles flourish in organized religions.

In the brutal dog eat dog mentality of sanctioning pedophile grooming,

which certain cults say as in scriptures as sacrament (by the individual named "The Wickedest Man in the World" in particular). What could possibly be a more wicked, cruel, and in the short term effective way to eliminate competition than to exploit an opponents' childrens' fear of the stigma of having willfully committed an unlawful perverted sex act [because he was a defenseless helpless child at the time? unaware and unable to know right from wrong?] and convince the victim is at fault and that he is an inferior human (sub-human, less than human) being unworthy to breed? unworthy to mate? In the long term this practice only leads to more resentment and warfare.

The Bahai Faith where I was raised has proven itself to me to be another version of this same old dirty trick. Bahai parental consent law, from the misconduct of the adults when I was a child my case, has proven itself to be a disgusting eugenics pedigree scheme, colloquially known as "cock blocking". "Cock blocking" is a bestial brutal primitive reality of either becoming or groveling to **TYRANTS:** the cruelest greatest prick stud and cunt queen at the top of the pyramid scheme. "the prickriarch" and "cuntriarch". The fraud "alpha male" **great stud monster tyrant Sultan** and "alpha female".

I DO NOT GROVEL TO YOUR COCKBLOCKING GOD AND GODESS ANYMORE. NEVER AGAIN WILL I GROVEL TO YOUR COCKBLOCKING GOD AND GODDESS

When describing gender imbalance or gender dominance, I do not like to use the words "patriarchy" nor "matriarchy" because those are cop-out terms which insist one gender rules over the other turning a blind eye to the underlying gender imbalance where both genders suffer as a result of any imbalance. [Cuntriarchy and Prickriarchy seem better TERMS for the perversion of life and their genitalia] Within patriarchy there is matriarchy and within matriarchy there is patriarchy where both genders suffer at the hands of the other gender dominating them. UNJUSTLY PERIODICALLY. It takes 2 to tango. **It's no coincidence that it takes Cuntry of pacified citizens to live under a Dicktatorship. It's no coincidence that notorious gay pedophile priests live and study in a rectory and seminary.**

72 of 148 **"MATTHEW 25:40** And the King shall answer and say unto them, Verily I say unto you, Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me." **HW Arabic #30 "O SON OF MAN! Within the Bahai Faith I have witnessed both matriarchy and patriarchy, prickriarchy and cuntriarchy and no gender balance whatsoever.

Growing up in the Bahai Faith, I was at the mercy of dysfunctional families practicing prickriarchy, cuntriarchy, not much equality of the sexes nor gender balance at all.

Growing up in the Bahai Faith, as a child, I was at the mercy of adult Bahais who were a complete joke and mockery of each and every Bahai ideal ever. The contrast of the ideals of the Bahai Faith and the pitifulness of the people in it is was unbearable for me. It was a cruel joke. (AND IT STILL IS A **cruel** JOKE) Yet I clinged to it under stockholm syndrome because I thought I would be rescued from the joke.

Growing up in the Bahai Faith, as a child, I was at the mercy of adult Bahais who were publicly respectable, extroverted, outgoing, and charismatic people within the faith, who actively loved to teach the message of Baha'ullah, yet privately had some of the most consistently frigid fake marriages of conveniences where at least one of the spouses was a pushover while the other lived to repulse and control the other with his or her own addictions. These so called "Baha'i marriages" were nothing more than hostage situations, some of which last and are continuing to least well over 40 years until death does them part.

I wouldn't trade my protracted extended miserable celibacy for one day for one day of **those** hostage situations.;

I WOULDN'T TRADE MY PROTRACTED EXTENDED MISERABLE CELIBACY FOR 1 DAY OF THEIR **ED-UP PUSSYWHIPPED BULL SHIT SITUATIONS.**

In the Bahai Faith growing up as a child and teenager I've experienced and witnessed horrible dynamics within long term marriages between men and women lasting several decades:

of women who submissively flock to the cocks of some of the most abusive dominating perverted alcoholic pig pricks pedophiles ever. *[my mother had sex with George Edwin Field in the middle of the living room where I witnessed while trying to sleep and flippantly said "Go back to sleep]*

and of men who are pussy-whipped pushovers stuck with hideous morbidly obese ****ed up cunt wives who are so lost with their unresolved child

73 of 148 **"MATTHEW 25:40** And the King shall answer and say unto them, Verily I say unto you, Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me." **HW Arabic #30 "O SON OF MAN! victimizations, that it's quite clear to me that they live for no other reason than to sexually repulse men with their fat ****ing junk food and other addictions.

Bahais are very fond of promising a great new world order of gender balance, equality of the sexes, (with very rational gender roles and differences), and advocating women's rights, prioritizing the education of girls over boys, so the girls can grow up and be better mothers and be the primary educators of children, where men and women become 2 wings of one bird and every child has a loving mother and father,

Equality between men and women is conducive to the abolition of warfare for the reason that women will never be willing to sanction it. Mothers will not give their sons as sacrifices upon the battlefield after twenty years of anxiety and loving devotion in rearing them from infancy, no matter what cause they are called upon to defend. There is no doubt that when women obtain equality of rights, war will entirely cease among mankind.

(Abdu'l-Baha, The Promulgation of Universal Peace, p. 175)

prioritizing the education of girls over boys, so the girls can grow up and be better mothers

"Education holds an important place in the new order of things. The education of each child is compulsory. If there is not money enough in a family to educate both the girl and the boy the money must be dedicated to the girl's education, for she is the potential mother. If there are no parents the community must educate the child. In addition to this widespread education each child must be taught a profession, art, or trade, so that every member of the community will be enabled to earn his own livelihood. Work done in the spirit of service is the highest form of worship. Where do you find this statement?"

(Abdu'l-Baha, Divine Philosophy, p. 82)

succession of prophets, (as Baha'ullah claims to be a hereditary descendant from Abraham), it is important to examine that in a lot of weird Abrahamic religious traditions God is not some mystical gender balanced Universal loving order to bring about an end of poverty, suffering, and misery, but GOD is a polygamous promiscuous monster with a perverted giant alien prick to rape anyone's orifice he can get into any time he wants for no reason whatsoever than to prove he can. **The great success of the great punk Rock band Gwar with David Brockie's lead character Oderus Urungus's coddlefish of cthulu parodies this prick worship very well.**

There is a famous scene from the movie *"The Believer"* among students at a Jewish school disputing the merit of Abraham nearly sacrificing His son just because God commanded him to do that.

["Jewish Student Challenges Teacher About God's Righteousness in "The Believer" 2001 with Ryan Gosling" https://www.youtube.com/watch?v=MR3NrGk-_3I](https://www.youtube.com/watch?v=MR3NrGk-_3I)

King James Bible, Genesis:

22:2 And he said, Take now thy son, thine only son Isaac, whom thou lovest, and get thee into the land of Moriah; and offer him there for a burnt offering upon one of the mountains which I will tell thee of.

22:9 And they came to the place which God had told him of; and Abraham built an altar there, and laid the wood in order, and bound Isaac his son, and laid him on the altar upon the wood.

22:10 And Abraham stretched forth his hand, and took the knife to slay his son.

*22:11 And the angel of the LORD called unto him out of heaven, and said, Abraham, Abraham: and he said, Here am I.
(King James Bible, Genesis)*

The argument goes something like this:

75 of 148 **"MATTHEW 25:40** And the King shall answer and say unto them, Verily I say unto you, Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me." **HW Arabic #30 "O SON OF MAN! Deny not My servant** should he ask anything from thee, for his face is My face; be then abashed before Me."- Baha'u'llah
<https://bahaipdxwitness1984.wordpress.com/> 2-19-23 (minimal polishing)

Since Abraham was commanded to commit an act of cruelty he could not possibly be directly answering a direct command from a true loving God because no true loving God would do that. After all why would God command putting a child on an alter and placing a knife on him as though the child was about to be murdered thereby traumatizing him for the rest of his life? Paraphrasing the quote from the Movie The Believer **"HE's TRAUMATIZED, he'd be a Putz for THE rest OF HIS LIFE!"**

22:10 And Abraham stretched forth his hand, and took the knife to slay his son. (King James Bible, Genesis)

And I agree completely. What loving God would do that? I don't understand that. Words cannot DESCRIBE the kind of deranged parasitical normality of child abuse and all and absolutely everything sick, evil, and wrong about the human race that uses that great story as an excuse for child abuse normality!

However, IF indeed Abraham was a Manifestation of God for the past Dispensation (as is The Claim of the Bahai Faith),

From what a person of of Jewish heritage and practicing Jewish religion told me, this Test of Abraham and his oldest son Isaac was done when the oldest son Isaac was 37 years old and the 37 year old Isaac consented and knew all along this was some kind of feigned ritual of human sacrifice to discover how stupid and cruel the whole ritual was, with an Angel intervening and telling Abraham to stop to teach both Abraham and Isaac human sacrifice was wrong. Perhaps in that primitive barbaric shithole environment of sheep and goat herding nomads parasite-ing the fertility of the region into a desert, and hardly having any clean water, there were cases of certain horribly fatal illnesses that might've led to him doing that to his son because it was a situation of desperation of euthanasia for survival? That's the one plausible explanation I can discern in my opinion why Abraham would ever rationalize that. Another plausibility is that Abraham got mixed messages from the old cult of Human Sacrafice of the corrupt society Satanic Priests of Baal cults where he was raised and so he hallucinated the false god wanted him to kill his own son before hearing the true God saying this is not suppose to happen?

I cannot in good conscience believe he did that because he truly was directly commanded from a Great TRUE Voice of God to do that. Perhaps the circumstances of disease and famine and illness warranted putting him out of his fatal misery upon discovering signs he was infected with something

76 of 148 **"MATTHEW 25:40** And the King shall answer and say unto them, Verily I say unto you, Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me." **HW Arabic #30 "O SON OF MAN! like Ebola or Bubonic plague with no cure, but then noticed he was recovering at the last moment?

Likewise forced infant circumcision might be along the lines of similar rationality to evade some fatal infection from not much water for regular bathing in that environment?

Here's is a perfect place to plug "[the Bloodstained men](#)" and the Work of Brother K with lots of intactivism protest vids and information available online!

If a God would directly demand his servant to murder his own son for no good reason as described in that passage of Genesis than that is the God of Abrahamic Insanity who is a far worse barbaric patriarch than he is for the "alpha male" among among wild animals. No wild animal ever ritualistically believed he must sacrifice his own child of his own species for some deity, condemning his own son or daughter to a life of stress and humanity to a life of inferiority as a slave the way humans do with their bizarre caste systems and pyramid schemes.

=====
The artificially induced injury inflicted "beta males" of Abrahamic Insanity are the traumatized peon slaves of the old caste system, the pyramid scheme lucky to find wives who haven't already been (molested as children, and impregnated up by some knuckle dragging undeserving ape fake alpha male rapist in the "prima nocte" tradition of the aristocracy, let alone as virgins at the time of marriage.

spinsters of the undeserving fake “alpha” stud males, the leftover second hand p****y those women damaged, used and abused women / for “cuck”-ery [in brutal dog eat dog terms], are unappreciated and encouraged to have lesbian experiences, or be celibate all the same. **Homosexual coercion for heterosexual mating competition is the oldest dirtiest trick in the book.** There’s no vice any less prevalent in the Islamic countries such as Iran as there is in America. Evidence of the great mighty cock blocking eugenics scheme of the Bahai faith and its Abrahamic traditions is very real.

These so called “beta males” men are

terrorized into protracted celibacy or somehow rationalize they are not coerced and cockblocked into homosexuality. Likewise there **are less favored** females who are coerced into being beta females, the less favored mistresses and concubines and

Baha'u'llah's polygamy, was very real and definite with adverse consequences from the children of his expedient 2nd and 3rd wives, whose descendants all became and still are resentful notorious-adversaries and enemies of the Bahai Faith. Not one of them had any loyalty with the mainstream Bahais. The enemy within is very real.

YET with all that said and done, I STILL LOVE BAHU'U'LLAH FOR HIS GREAT REVOLUTIONARY LIBERATION FROM disgusting ISLAMic WORLD from his lifetime, and what still goes on today, under demented corrupt radical Islama shariah / Shia Law

but I cannot overemphasize that

the way I was treated as a child by these Bahai communities in the Portland Metropolitan area way back then. There was a diseased / immature / flawed / hypocritical / failure within bahai faith that has proven itself to be one big cock blocking eugenics pedigree scheme to maintain the elitist reptile parasitical blood lines flowing and eliminate competition by enabling pedophiles. They were determined to cripple innocent childrens' psyche. **The 3 families of Bahais of Milwaukie between 1977 through at least 1982: My parents and those of 2 different families of my 2 different abusers thought nothing of leaving children alone together while Bahai meetings (feasts, firesides, deepenings, and Holy Days) happened.** These people are not much better in integrity than real dark occultists who prostitute their own children for doing that.

I was too frightened of reporting that I was being groomed and abused by Krampus because I was surrounded by people who would blame the victim, deny the victim, and stigmatize the victim. My own father did nothing to forbid his 7 year old child from seeking nor spending time alone with Krampus and only derided me for emulating some of his mischievous toilet humor antics, rather than forbidding me to be anywhere near the Krampus who used me to cut his teeth in the dark art of pedophile grooming. Does he have other victims that dare snitch? I wonder. I had every reason to believe my own father has no concept of Bahai principles of educating children for ignoring his own son being abused and raped. Those adults way back then thought nothing of leaving me alone with Krampus nor the other child abuser (2 years older than me) code "king ARthur" [Matthew Gordon Field d.o.b. ~ 08-18-1969) the despot heir of the now Defunct Silverton Foundry of Silverton Oregon. I was too frightened of reporting I was coerced into sex acts by the son of the now deceased chief foreman

of the Silverton Foundry (Uther Pendragon) because my mother was too selfish and determined to ignore it and fuck George Edwin Field in their little mutual "living in sin" divorcee fuck fling sometime around 1981 and 1982.

The whole weird debauchery surrounding little Prince Arthur (analogy for Matthew Gordon Field) and Morgana (his older sister) and watching the 1981 Excalibur Movie at the time is poignant bizarre synchronicity which cannot be forgotten.

I had every reason to believe they hated me no matter what I did.

The arrogance of my stepparents to fail to inquire into the diabolical sickness of this bizarre criminal negligence is complicity. They were complicit in failure to eradicate the then little teenage punk pedophile Krampus (**Keith Ronald Moore 01-04-1967**) from becoming the 56 year old creepy fucker **HE is in 2023**, who subtly but surely flaunted his time alone with children on his facebook timeline as he once was alone with me in outings. He is in total shit eating grinning duper's delight shamelessness.

Krampus is the Quintessential Krampus to the Saint Nicholas that David Shurter is in more ways than I can tell here and now.

David Shurter, for all this confidings of having abused children when he was a teenager, is not the unrepentant abuser his detractors make him out to be by virtue of making that public.

David Shurter is kind of an epic anti-hero with obviously flaws with weird dramatical antics of someone madly zealously determined to garner and make publicity into the matter, albeit often exaggerated, flawed, and inconsistent. Comrades of SRA survival will recognize his mental breakdowns and flaws as the flaws of their own parents and themselves that are an excuse for 302's and inability to report and deliver justice!

80 of 148 **"MATTHEW 25:40** And the King shall answer and say unto them, Verily I say unto you, Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me." **HW Arabic #30 "O SON OF MAN! Krampus on the other hand I seriously doubt would ever dare redeem himself soon enough.

The notion that the adults who were child victims of criminally negligent parents and child victims of other religious crackpots in their hypocritical naive world, need their parents' permission, --or--need to prove their own parents are criminally negligent for crimes committed on them as children, as a condition to achieve a lawful healthy natural sex life is a complete insult to injury, and an injury to insult is:
f.u.b.a.r! ~~****ed up beyond all recognition.~~

The parents of the now adult victims of the criminally negligent Bahais of Milwaukie Oregon from at least 1977 through 1984, and the nearby Bahais from other communities involved who had a hand in ****ing me over, who all collectively all decided to all go bury their ****ing heads in the sand, deserve a special place in hell.

They are all finally senior citizens by now. They are all elderly people. 64+

THEY ARE ALL FINALLY ALL OLD ****S.

The very last thing they will ever deserve is any kind of rights to parental consent over their adult children's prospects in marriage.

These people ARE the SCUM OF THE EARTH.

With a little luck they'll all spend their last 5 to 25 years rotting in a rest home all together, senile, at the mercy of their own complacency with none of their children nor grandchildren ever visiting them ever again (if they even have grandchildren) because at least with the case with my parents, with the legacy of their criminal negligence, they all made it quite perfectly clear they really wish I was never f****ing born. And they probably all wish I was all dead, now more than ever. So good riddance each and every last one of you. And may your legacy of terrorism never be forgotten ever. Otherwise more children will suffer.

In this Day the secrets of the earth are laid bare before the eyes of men. The pages of swiftly-appearing newspapers are indeed the mirror of the world. They reflect the deeds and the pursuits of divers peoples and kindreds. They both reflect them and make them known. They are a mirror endowed with hearing, sight and speech. This is an amazing and potent phenomenon. However, it behoveth the writers thereof to be purged from the promptings of evil passions and desires and to be attired with the raiment of justice and equity. They should enquire into situations as much as possible and ascertain the facts, then set them down in writing.

Concerning this Wronged One, most of the things reported in the newspapers are devoid of truth. Fair speech and truthfulness, by reason of their lofty rank and position, are regarded as a sun shining above the horizon of knowledge. The waves rising from this Ocean are apparent before the eyes of the peoples of the world and the effusions of the Pen of wisdom and utterance are manifest everywhere.

"All these Memories Lost, Like Tears in the Rain" - Roy Batty by Rutger Haur from the Movie Bladerunner

2019 FOLLOW UP TO & ANNOTATED RETRACTION version of "Weirdness in West Linn 1977 and Ann Fillmore Session Notes from 1990 & 1995.

SO IN 2019 I DECIDED TO CONTACT THESE 2 SISTERS ONLINE [Daughters of the woman I describe as "Matron Venal Ornerly" = Marcia Van Orman] who are now well into adulthood, nearly if not already grandparents themselves, in their mid to late 40's, and they seem to have very successful Bahai marriages and families all healed in forgiveness at peace with their Mother who once upon a time had some emotional anguish, the details of which never were nor did I ever want to be my any of my business. **They assured me Ann Fillmore was lying and exaggerating.** The one who was Ann Fillmore's client insists her father never punched holes in walls nor nothing violent happened contrary to the way Ann Fillmore portrayed them.

Whatever happened in that family beyond the 3 to 4 hour Bahai meeting some evening probably around November of 1977 where I was then only 6 years, was not something I ever wanted to make my business and still don't, but the act/ pattern/ practice of parents dragging their children to be guest/visitor children to some religious gathering in someone else's home or place of business where:

1. the children are dumped off and abandoned with nowhere to go except the law of the jungle lone with the hosts' host domineering aggressive childrens' bedroom territory where they were playing, while guest child is unwelcome and greeted with hostility or shown how to "play doctor" or something else weird, and where there's no adult supervision. **These are ALL the ingredients of a recipe for disaster and a consistent disgusting pattern of naivety that was SIMILAR to how all far worst situations started in Milwaukie Oregon with worse consequences shortly after.** I hate complacent people are unaware how wrong it is to prevent children from being inclined to bully and abuse each other. Its as though these predatory weird snobby people welcome that bullshit in an unspoken normalization of hazing practice to keep their disgusting "pecking order" psychopathic hierarchy going, especially when they are are so absolutely convinced their great little conceited narcissistic golden angel cherub gene pools (Dariah & her friend the 2 girls 2 years older than me then) are putting the disparaged kids in their place through hazing. **OH AND OF COURSE THE SNOBBY YUPPIES FAMILIES' CHILDREN** would never emulate the predator aggressive intrigue of securing wealth of their parents, and

Last I remember consulting with a Bahai Spiritual Assembly before I left the Bahai Faith in 2004, they assured me it was National Spiritual Assembly policy that there always be at least 2 trusted adults from 2 different families conducting a childrens' class as the main meetings or feasts, firesides, or L.S.A. meetings happens no matter how few the children. And I wonder IF PARENTS really ARE available and capable of caring.

My last text message to that other client of Ann Fillmore, the younger sister reads like this:

To whatever degree that ~ 80 year old great grandmother woman (Marcia Van Orman) in 2023 [who never did only minor real harm to me] <https://www.facebook.com/marcia.vanorman> does or doesn't deserve to be villified as “Ann Fillmore’s <https://www.facebook.com/ann.fillmore.9>

I can totally imagine its totally cruel to others who know her better good true nature. All that time and energy that eldest daughter bore and raised 2 children now adults, being a compassionate loving soul, a homemaker, and all that serene sweetness and work and effort floors me to eat my words at the mammoth amount of responsibility that might entail with all that parenthood, all opportunities capacities responsibilities I either refused or am too damaged to earn privileges or am unworthy? I don't know. Perhaps probably they're all a combination of many flaws and shortcomings of mine own I'm still working at to own up to?

Even though I am not a witness to any abhorrent behavior by that mother, that old 76 year grandma now in 2019, the metaphors I said were kind of valid because she was very scary to me in my 6 year old child mind

when she was 34 where all the adults there disrespected me, indifferent to me feeling like an unwelcome guest enticed, restless, frightened and curious about the other children's private privileges to have fun.

IN THE FUTURE I SINCERELY HOPE SUCH HOSTS WHO FAIL ARRANGEMENTS and accomodations for child safety are Universally boycotted. And if the parents who arrive at residence of such a failure at child safety, where children are abandoned to themselves, the Bahai parents do a 180 degree turn, categorically boycott. and never return to that residence until those kind of child abandonment situations are abolished!

TRUE CHILD SAFETY ARRANGEMENTS would mean children are consoled with fun educational Bahai children classes, with rotating shifts of **AT MINIMUM 2 Adults, who are parents themselves, facilitating** appropriate deepening activities / "Sunday School" Activities.

consider what potential pedophile enablers they are instead of sit around like a cult of zombies hyponotized by a cult leader as their children wander into weird situations. They really are the epitome of fake Bahais of the lowest lowlife order if they fail at child safety by leaving stranger children alone together.

Where I grew up in North America in the 1980's Iranian Bahai refugee families were venerated like the holier than thou close knit having faced persecution straight from the source, but the Bahai writing say Manifestation of God appears in worst places in the world to cure the disease. IRAN & Islamic countries are historically SHITHOLE DENS OF PSYCHOPATHIC Pedophiles & Pedophile enablers. Perhaps close knit friends and family members' who already know each other are kind of a different other? I'm not the one to make such decisions, but I know damn well the adverse consequences of cruel children left alone. There should have been clearly defined protocol by the National Spiritual Assembly of the Bahais of the United States along with the Universal House of Justice a long time ago given this statement:

"And now we wish to address a few words to parents, who bear the primary responsibility for the upbringing of their children. We appeal to them to give constant attention to the spiritual education of their children. Some parents appear to think that this is the exclusive responsibility of the community; others believe that in order to preserve the independence of children to investigate truth, the Faith should not be taught to them. Still others feel inadequate to take on such a task. None of this is correct. The beloved Master has said that "it is enjoined upon the father and mother, as a duty, to strive with all effort to train the daughter and the son," adding that, "should they neglect this matter, they shall be held responsible and worthy of reproach in the presence of the stern Lord." Independent of the level of their education, parents are in a critical position to shape the spiritual development of their children." - **RIDVAN MESSAGE Universal House of Justice 2000**

Mother (Marcia Van Orman) of that Household said her brood matters more than me because I'm the outsider deplorable undesirable little boy refugee discarding me for being born to stupid parents. I remember her scowling at me in the kitchen by the bedroom as I didn't understand.

And there's no doubt some of my mothers' trauma of that lady reminding my mother of a real mean stepmother of my mom was kind of rubbing off on me, as multiple generational trauma is inherited. (Joy De Gruy PTSD Slave Syndrome Scholar emphasizes this). I was trained to hate everything about whatever the Washishi paleface bitches did to my mother and great grand mothers in boarding schools, Its easy for me to hate every semblance of her archetype, and all that emulates her and makes her the handler to my mothers' shattered slave programming. And I am kind of trained to be defiant misogynist to the core in that area with these specific personalities.

That place gave me the heebee jeebees way back in 1977, and although I'm quite pleasantly surprised by the charming family's apparent success **now**, their humanitarian work **now**, I really don't know hardly a damn thing about them. My Brother WAS friends with the Younger sister Roya. I am still unnerved with mixed feelings with the broken record of the memory spinning in my head. If I don't make this historical account and apply the ruthless caricature/ metaphors I mentioned, I'm disrespecting that 6 year old boy OFF from Autumn 1977 MANY years ago and many many other children dragged around from broken home again. Who else will care? Sorry dear elder soul sister. I told Dariah and Roya I'm sure your mom was a loving mom with a loving dad who both loved you enough to teach you enough to learn to love yourself, but she was a ridiculous condescending fake bahai at that moment in time in my 6 year old mind in 1977, many years ago to me in tandem **with my own mother who was shattered with horrific torture at least age 9 to 13** who within a month or 2 prior to that night my mother didn't give a damn about the effects of spouting her own morbid fascination of trauma stories allowing the televised CBS docudrama special: [Sybil \(Shirley Ardell Mason's story\)](#) with all those scenes of child torture to roll on the Primetime Network TV with me there watching, with my mother hypnotized with her MKUltra level Monarch Mind level controlled shattered mind, triggered at memories of a Wicked stepmother at least as Sinister & Wicked, bludgeoning my head with all sorts fear of an aggressive tall white woman like Marcia Van Orman)

In one of Joy Degure's great Post Traumatic Slave Syndrome Lectures. There's a part where she talks about all these issues of PTSD I share with you now. And there's also A VERY bitterweet part where she talks about the esoteric meaning of the word semantics of the word "RESPECT" as in "I see you" you remember?

To answer Dariah Barazandeh's question "Did my Family hurt you"? Not much really in the grand scheme of child disrespect done to me, but every adult there in that moment, at that Bahai gathering / fireside /deepening Autumn 1977 disrespected every child world wide to some tiny degree or another.

Dear Dariah B. SINCE YOU MENTIONED YOU PROBABLY KNEW PEERS of YOUR GENERATION THEN AND THERE WHEN YOU WERE A child in West Linn and Next door of Oregon City you knew the Bacci Family. And so ITS ONLY APPROPRIATE I POST ANOTHER STORY:

1978 Springtime sometime at some great Bahai community Gathering in Portland.

My mother and father arrived late at some great Bahai Gathering in Portland. I'm guessing it was most likely either a Ridvan Gathering (04-21-1978) or a Declaration of the Bab Gathering 05-23-1978. Children were playing and roaming around the area outside the building. There were a group of boys playing and hiding from bigger older girls. Those boys included Scott Clifford Haines (d.o.b ~ 12th of March 1972) and very probably his brother Kevin M. Haines (d.o.b. 18th of February 1969) was there too. An Unknown Abuser a girl at least 8 years older than me way bigger than me. So there were a bunch of boys about my age or a little older playing hide and go seek or something and shouting and taunting and teasing bigger girls, running from them telling me they were hiding from some big girls. I didn't know what they were talking about when I arrived at the scene just seeking other children to play with.

MEMORY OF A BIG GIRL WITH Black LONG HAIR TACKLING ME:

(Middleastern or Hispanic heritage I don't know?)

It's some kind of community center meeting building in Portland Oregon. It's sometime around mid to late Spring of 1978 (if memory serves). Its after dark. I can remember there being leaves on the trees budding. This was Probably the Bahai Holy day known as "Ridvan". My parents arrived late as the great meeting was happening and somehow I either wandered or encountered a group of boys about my age and a little older. I am about 6 years old. One of the boys about my ages was Scott Clifford Haines was there too. I don't know if Kevin Haines was there too, but I bet he was there too. The boys were all running away and trying to hide from some big

girls, and cowering like these girls were extremely dangerous. I thought they were exaggerating and didn't run away when these girls arrived around the corner to chase this pack of boys.

None of the adults at the meeting going on in the Building (a Ridvan meeting) seem to notice as she grabbed me and lead me down the stairs to a lower area basement or storage room. The boys ran away when some way bigger girl who had to be at least 15 years old or more, grasped my hand and dragged me down a flight of stairs to a room in the basement, where she pinned me down to the floor with her physical body upon and strength way greater than mine, and LAID ON top of me ME with the basement door shut and the lights out. I was trying to get away and being led down towards the basement. I wasn't sure if she was getting some sexual fix out of that. She probably was. I remember thinking? How long is this going to go on?

But with the lights off she asked me "Are you going to be a good Bahai?" and I said sheepishly "yes" (voice of a 6 year old boys). And after that let me go after about 5 minutes.

This big girl had an accomplice who I believe was Angela Bacci born about 1968 or 1969 (eldest child and daughter of Cynthia Bacci and deceased Attorney Forrest Bacci (younger Sister Ella Bacci and younger brother Aaron Bacci) or Perhaps a witness?

The big girl LAID DOWN ON TOP OF MESHE LAID DOWN ON TOP OF ME and pinned me to the basement floor . . . nearly smothered me physically way bigger than me. . . . nothing sexually happened as I can remember but I was completely helpless and dominated alone and tackled pinned to the floor in the dark.

She asked me if I would be a good Bahai and be in good behavior and I think I said "yes." I can't remember all that she asked me. I kind of knew that she was afraid of other people disapproving of her taking me down there, but somehow I was ignored. It was as though she wanted to take her frustrations out on me as though someone had done something similar to her. I can remember thinking, this is a place where there are no adults and she can't keep me down here for very long (like maybe 5 minutes at most). . . . , but how was she able to do this? Who was with her? Who taught her to do this ? To this day I don't know who the hell she was and what she was thinking at the time.

ORIGINAL WEIRDNESS IN WEST LINN STORY:

My parents were desperate, demoralized, naive and young when they first travelled to the Portland Metropolitan Area from back East in 1977 from Bluffton, Ohio before they settled in Milwaukie Oregon. In 1977 our family lived in West Linn for about a month or 2 before moving to Milwaukie. I remember very vividly going to a Bahai meeting at the household of a certain family in the community of West Linn where there were no children's classes. There was 6 year old me. 2 older girls were in that household (at least 8 years old (Dariah B. at the time and were allowed to play freely in their bedroom alone. I can remember in my child like mind simply wanting to go play with them because they were the only other children there. I didn't understand why they got to be away from the adult meeting. I remember following them into their bedroom for a little while, or being invited to go there until they got really hostile with me after a half an hour. Maybe they were physically abusive to me? I can't remember. I think the older girl shoved me out. I also remember them disturbing their younger sister (who was even younger than I was at the time) while she was trying to sleep. **The older daughter (Dariah Baranzadeh) and later** their mother (Marci Van Orman) who lived in that household eventually kicked me out of her daughters' bedroom. I remember the mom a lot like Nurse Ratchet Louis Fletcher in the Movie One Flew over the Cuckoo's nest. I remember the entire fireside/deepening or meeting being adults who seemed hypnotized by her. There was an eerie vibe of hostility at that house.

I also discovered my mother referring to that Nurse Ratchet (Marci Van Orman) character as someone who reminded my mother of her own wicked stepmother (handler) from then late 1950's. I later discovered that the Persian immigrant father husband to this Nurse Ratchet character in that household basically had a heart attack and died around 1988 when he was no older than 57 years old. According to Ann Fillmore he died because essentially to use modern lingo, he

was a cuck, and he didn't know how to confront Marcia for being such a bitch so badly he would sometimes punch holes in the walls .

I later discovered that household in West Linn was exactly where the family of one of my abusers discovered the Bahai Faith. OLD Marilyn and George Field of the Silverton Foundry. I seriously wonder just how much into dark occult ideology a lot of weird people are embedded in the Bahai Faith hiding in organized religion a lot like Jay Parker claims about dark occultists hiding in Christianity.

conspired with My mother, my foster stepparents [Carol Haines & Doug Haines] from Clackamas county, to cajole me into a nuthouse in 1996, but IF YOU DID, and you had similar animosity towards clients such as me, I think there is a certain level of accountability that you need to reflect on and own up to in your private time in your own way. I'm not asking for apologies, just humility. Do you understand foster step parents [Carol Haines & Doug Haines] between 1986 through 1988. (a.k.a. "fat gelding ranch") was my home. I was there scared to say a damn thing about what happened between 1977 through 1982 with all the hazing of public schools and rivalry with my step siblings, and stigma of experiencing that perverted shit, because the local bahai communities in the Portland metro area were in complete denial of the weird older kids I was left alone with in Milwaukie, Oregon periodically between 1977 and 1982. From 1977 through 1984 The Bahai Community of Milwaukie Oregon U.S.A. along with certain individuals from neighboring Bahai communities of Clackamas County and Portland were criminally negligent with some of their children. At least one of these abusive older kids [Keith Ronald Moore d.o.b. 01-04-1967], now well into adulthood, proudly boasts on his social media hints of exploiting & grooming little boys like he did to me. No one seems to give a fuck. You should know something about the psychology of scumbags like this. And SO IF you Ann, if you did indeed conspire with my cowardly mamby pamby parents and step parents to vicariously have the cops fuck up my head more in 1996 and get me hauled of to the nutward. You of all people to whom I hinted what happened to me way back in 1990 and 1995, you only delayed the conviction of this motherfucker even MOORE (THE MOORE FAMILY).

What the fuck did you care to do so no future abuse occurs from your victimized clients beyond wiggle your hand in front their faces for 2 or 3 60 minute sessions, give them a hug, play relaxation, take your money, and send them on their merry confused ways? Isn't a true therapist suppose to report crimes or at least give support on how the client does so? [ESPECIALLY WHEN A CHILD IS ALLEGEDLY BEING HARMED] I came to you Ann as an 18 year old young man desperate, worried, demoralized and afraid of my future. And I did the same as a 23 year old. It has literally taken decades since then to have enough individuality not to cling to "vicarious atonement". I don't regret going to you for help, but w.r.e.m.s with you was a very small piece to the puzzle of healing myself and all the constant vigilance involved. - bahaipdxwitness1984@aol.com

You must understand that in 1992, I formally withdrew from the Baha'i religion and stopped all contact with anyone in that faith because when I went on pilgrimage in 1989 to Haifa, I lodged a FORMAL COMPLAINT with as high an official as I could get to at the House of Justice about the vicious cases of sexual abuse and other child abuse going on in the Portland area community. And what I suspected was throughout the Baha'i community worldwide.

1st. Because of the complete lack of oversight of caretakers exactly as you experienced.

2nd. Because when a complaint, such as I made over and over - not in your case as I didn't know about it, but in an actually more horrific case in Portland that I had to try and help with --- not only was nothing done about it, I was told not to report it to the authorities! I can't tell you the outcome of that case but it was awful.

3rd. And finally because of the way men were constantly being the ones put in charge of making major decisions and how these men were NOT screened for past criminal / sex offender records.

NOT ONE SINGLE THING WAS EVER DONE TO ANSWER MY COMPLAINT to THE HIGHEST LEVEL OF HOUSE OF JUSTICE IN HAIFA OR TO TAKE STEPS TO FIX THE PROBLEM -- I gave them 2 years to make amends and NOTHING HAPPENED -- they remained in total denial of the problem. You want humility? I was so angry I could barely function for almost a year. I had closed my office and moved away. I did set up a WREMS class online (on AOL WOMEN'S area) and it ran successfully for 7 years until the summer of 2001 when AOL closed the WOMEN'S area down. It was not WREMS which put you in the nut house -- it was probably what kept you from the same fate as the other case which made me leave the Baha'is. And you don't remember, but I did tell you about the cliff and I always tell people who use WREMS that it is a technique you do for yourself, by yourself. After you learn to do WREMS, it is then up to you how you use it. And you should have kept on using it. I suspect when you were put in care, they dosed you with a lot of meds -- and such meds are deadly.

So, Carl -- if you want to vent your anger, do it at others -- not me. I did my best to help, but I was up against a horrific situation.

At least you are alive.

You don't know Caller Carol's last name? And you seem to think the <http://freeyourmindconference.com/> people are close minded to Wrem therapy? That's another good one too. You should have been a comedian. I find it no coincidence that shortly after when Erin Pizze https://www.youtube.com/results?search_query=Erin+Pizze was chased out of England by extreme misandrist radical feminists, you seemed to show up there with open arms. And then no more than 7 or 8 or 9 years later you arrive in Portland as an information gatherer of ritual abuse survivors there. You don't fool anyone Ann.

TRIGGER WARNING

*"We
shrink, for very shame, from treating of the subject of
boys."*

(Baha'u'llah, *The Kitab-i-Aqdas*, p. 58)

QUOTE FROM BAHAI WRITINGS: "The gentle teacher promoteth the children of the school to the lofty altitude and the bestowal of the trainer placeth the little child upon the throne of ether. Therefore, it is demonstrated and proven that minds are different in the original entity or nature, and that education commandeth a decided and great influence. Were there no educator, all souls would remain savage, and were it not for the teacher, the children would be ignorant creatures.

It is for this reason that, in this New Cycle, education and training are recorded in the Book of God as obligatory and not voluntary. That is, it is enjoined upon the father and mother, as a duty, to strive with all effort to train the daughter and the son, to nurse them from the breast of knowledge and to rear them in the bosom of sciences and arts. Should they neglect this matter, they shall be held responsible and worthy of reproach in the presence of the stern Lord.

THIS IS An UNPARDONABLE SIN , for they have made that poor babe a wanderer in the Sahara of ignorance, unfortunate and tormented; to remain during a lifetime a captive of ignorance and pride, negligent and without discernment. Verily, if that babe depart from this world at the age of infancy, it is sweeter and better. In this sense, death is better than life; deprivation than salvation; non-existence lovelier than existence; the grave better than the palace; and the narrow, dingy tomb better than the spacious, regal home; for in the sight of mankind that child is abased and degraded and in the sight of God weak and defective. In gatherings it is ashamed and humiliated and in the arena of examination subdued and defeated by young and old. What a mistake is this! What an everlasting humiliation!

Woe to the wicked sick psychopath / criminally negligent parents and their deranged **black sheep / golden child** injustice programming trauma mind control done to their own children, because they unconsciously hate their children, all who will all grow up to remember and account for your sick wicked ways as the complete pedophile enabling derelict narcissistic dipshit dumbfucks you all areand account for each and every one of your disgusting transgressions against children's rights. Your cruelty will never be forgotten. If there is any shred of sympathy I maintain towards Krampus or any one who becomes a pedophile its that he was the Black sheep totally left alone by his Parents with pedophile babysitters who programmed him to in turn abuse vulnerable children probably at least as bad as David Shurter has confided to doing.

The very fact that I mention David Shurter desperately trying to redeem himself for his owns sins and sickness as Krampus's peer (David is only a month older than Krampus), . . .its because I totally remember Krampus's mother (Alice Moore) and her depraved dingbat psychopathic complacent butt ugly morbidly sick contorted face (like Greta Thunrberg's) with the gall to whine to Krampus about the miserable poor persecuted Iranian Bahais, and passing around Hand of the Cause Bill Sears's book "A Cry From the Heart" like it was sacred texts, when the Bahai Persian Immigrants I met always had posh opulent homes in the Affluent hills of Lake Oswego, West Linn, & and Portland. I am not trying to be racist, but there was obvious tensions that like most all immigrants who survive, there is a shrewd well organized clannish segregated, racial seperatism, defensive strategy to live as a cohesive ethnic group. They were a survivors and Refugees of a Sick fucking society.

There's a certain elation to proclaim the Islamic extremist Iran is no less sick than right here in the USA. Rampant gay pedophilia goes on in Iran and Afghanistan. This gay pedophilia is all well documented as "Bachi Bazi" "dancing boys". Why wouldn't there be at least as many little boy child molesters per capita in Iran there as there are in the USA?. It is difficult to see these revered people from the land of Baha'u'llah as much different from their Islamic boy bugging Howling towel heads in their Islamic stockholm syndrome from such culture for being so far away from the abuse that happened to me in the USA.

Words cannot describe how in better circumstances of a true loving Bahai Community instead of the disgraceful debauchery and dumbfuckery of weird Narcissistic Babyboomer psychopaths #fakebahais had I been way better at ease to socialize and interact with people with these Bahai phrases as "Chaste and Holy" "Happy and Joyful Being" .

bad raunchy toilet humor jokes. My father said that shortly After several "Bahai Meetings" at the household of Alice and Dean Moore in Milwaukie Oregon in 1978 (the same House that Stephen and Ann Blair lived at well into the 2000's). **THOSE INFAMOUS 2 WORDS WERE SAID TO ME WERE ON THE EVE** of me being subjected AND victim to THE pedophile grooming by the likes of Keith R. Moore. I was a 6 year old boy almost 7 years old , a helpless child with an undeveloped fragile mind. The underdeveloped child (me) [ages 6 through 10] followed Keith (a.k.a Krampus) because my underdeveloped child mind at the time had thought Keith (a.k.a. Krampus) was a protective older bodyguard against cruel incidents of bullies at public schools a and other encounters with predator older children at Bahai functions (such as what happened in Ka-neet-ah and Warm Springs when bigger Indian kids nearly pushed me off a a steep hillside) And (also what happened at a Bahai meeting in Portland where Scott Haines was somewhat of a witness too AND a Lady named Angela Bacci had certain amount of complicity).

Keith (about age 11 through 16 (1978 through 1982) was allowed to spend a lot of time alone with me at ages (6 through 10) and I was allowed to spend a lot of time alone with Keith.

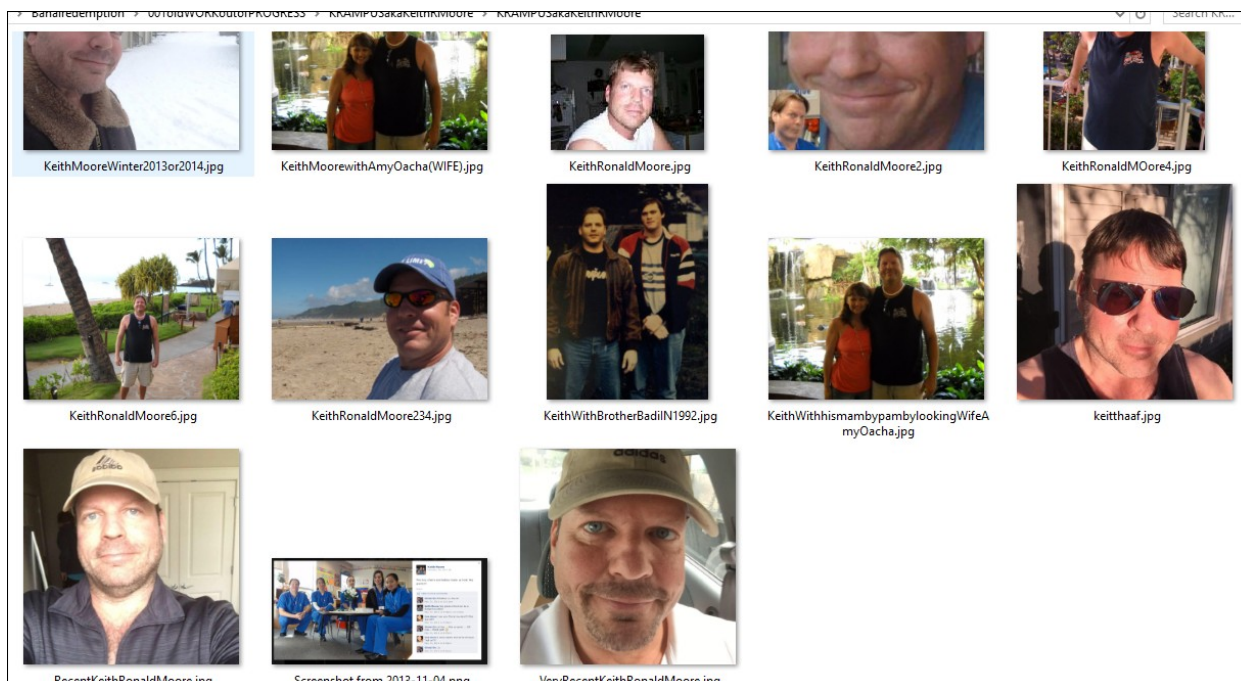

As I was a young child between 6-10 the pedophile grooming inflicted by KRAMPUS was a gradual escalation

from innocent trips to the convenient store (7-Eleven Convenient Store 7800 S.E. Lake Road Milwaukie, Oregon) and shopping malls

for candy, toys, collectibles (like comic books and star wars trading cars and video games)

to toilet humor, exhibition, slowly propositioning, pornographic magazines, and eventual sexual abuse upon me.

My parents and his parents were determined to abandon me to him as he was previously abandoned by his own parents to pedophile babysitters who groomed him to normalize pedophilia onto others. I was abandoned with Keith who has all the likes of a Krampus for his pedophile predilections HE did to me.

I HAVE MADE MANY REPORTS to MANY SOCIAL WORKERS and LAW ENFORCEMENT

about the Method Operandi of 1 Keith Ronald Moore (date of birth 4th of January 1967) and discovered his facebook page photo collection to be a trophy collection of his access to being alone with children and having whatever perverse way he wanted with them.

I put Keith Ronald Moore 's facebook information on many thumbdrives and I gave them to many social workers. Keith's Photo is an open taunt to me with proof (based on what I know he did to me) of the children he's had access with as though these were pedophile's trophies of times he had

them all gathered on outings alone with Keith. Keith is also taunting me with at least one naive mamby pamby weak willed woman he has been with (1 of whom is very likely a wife of Keith's by the name of Amy Oacha.) There is little doubt Keith would gladly prey on weak mamby pamby single mommy women (like the only women knows (his mother & my mother).

His facebook page content was and maybe still is a disgustingly disturbing littany of exactly what he's up to, especially to anyone whose experienced sexual abuse through gradual grooming by the likes of Keith Ronald Moore. HOW prolonged does this creep, or many more creeps like them, have to go on hurting CHILDREN? How Inept and weak do people have to be?

Keith Ronald Moore targetted me with pedophile grooming because his parents were criminally negligent psychopaths who hated Keith. Keith was acting out the abuse that was done to him on to me. Alice Moore (Keith's mother was very similar to my mother in gullible deluded blind naive false pride) She was also some kind of mamby pamby psychopathic hater of her oldest son, disappointed with the Keith's biological father of for some kind of shotgun unplanned pregnancy that ended in estrangement. Keith once told me while he was grooming me with the pornography magazines he'd find in dumpsters outside of bars or convenient stores, and from the fathers of the friends he'd visit [Penthouse, Hustler, Playboy] , that he once had a baby sitter, a female babysitter who completely molested him and showed him her vagina and everything else and fondled Keith in a lot of sordid ways.

I reckon Keith Ronald Moore had multiple abusers and victims. He had no shame propositioning me for anal sex. The reptile lizard propositions were shameless. This behavior is disgusting and abhorrent by any true moral person's standard. Its contrary to Bahai principles. I cannot work with people who disagree with me in this regard. There is horrible Godforsaken a political agenda infiltrating the American psychiatry today, (LGBTQ +P(for Pedophile) along with other perverse aspects of society to normalize and cover up pedophilia / child sexual abuse. There is no tolerance or compromise in this matter with anyone. Pedophiles must die and can't go extinct soon enough.

"Amy Oacha" (his wife in that photograph in Hawaii) (the scrawny little woman and her ghoulish mamby mamby little look is reminiscent of my own dingbat mamby pamby mother's Stockholm syndrome) duped for falling for this ghoulish predator pig pedophile creep.

There is an attitude and a dysfunctional insane dynamic of predator and prey family that went on in Milwaukie in the Bahai Community that I cannot repeat enough. THIS PATHOLOGICAL CRIMINAL NEGLIGENCE OF CHILDREN OF THE WORST KIND is 2nd only to OVERT SATANIC RITUAL ABUSE of THE LIKES OF JAY PARKER and others in Arden Delaware & CATHY O'BRIEN.

There was a diabolical confluence and RECIPE FOR DISASTER WITH 2 HORRIBLE attitudes as the INGREDIENTS:

1. PREY: Mindless, clueless, heartless parents' (the poor, "the deplorables", "the plebeians", the desperate, gullible, naive, ignorant, the pitiful) and these naive famifamilies, such as my parents

WITH THAT of

2. PREDATOR: the Arrogant elitist snobby hubris and sanctimonious fraud piousness condescending those to those "objects of pity"

of Keith's parents(Dean and Alice) and even among the other outlying yuppies snobs including (Erich Reich's Children and Son-in-Laws & The Toussaint(s) and Blair(s)) that was equally arrogantly mindless and intolerant. I cannot imagine Erich Reich and his children being non-complicit in failing to suspect Alice and Dean Moore's criminal negligence while being among the wealthier Bahai guys at the time.

CREATES A PREDATOR agreement with PREY that is PURE EVIL.. .! This situation is no better than overt deliberate child prostitution / child sex trafficking.

It was as though my Dad's narcissistic eternal retarded Lizard brain asshole attitude towards his eldest 6 year old child (me) was, always was and always will remain:

1. Callous indifference to the child's fragility and convinced the child being sexually abused is something that child chooses.
2. A father who does that is A pedophile enabling dufus derelict psychopath scumbag for doing that. That father is a pimp to his son be prostituted. That kind of father thinks its normal for helpless children to agree to be abused and enticed by pedophiles.

Dad normalizes it as something I was suppose to experience on my own that gay sex was "wrong".

MY FATHER DIDN'T SAY THIS, BUT HIS ATTITUDE WAS and most likely STILL IS and will most likely Always be too his Grave:

"Little ELDEST Son. I do NOT owe you anything beyond my 40-50 hour + workweek of being a civil maintenance painter wage slave tool slapping and breathing toxic latex paint and other chemicals on the walls that render me as a mental retard and too much of a dufus exhausted with brain damage to pay attention to your safety. I AM barely managing to pay for this roof over your head AND putting food on the table. So little 6 or 7 year old guy you deserve to get molested by Keith for feeling enticed to go play with such child molesting older boy. You are agreeing to be enticed and I don't give fuck about "age of consent laws" for sex acts you agree with. You're gonna have to learn things the hard way. You are on your own son. Your Grandpa didn't give a fuck about me so why should I do anything other than pass the buck onto fate of you wandering unwittingly into danger? "

This dipshit derelict dufus attitude **BEGGAR'S BELIEF!** AND it is so absolutely abhorrent and an anathema and contrary to everything sacred and holy about Bahai principles of raising children. What kind of forgiveness does someone so naive and stupid deserve?

FOR THE LOVE OF GOD, this attitude that Children Raise themselves Was repeatedly condemned by a lot of [Amatu'l Baha Ruhyyah Khanum](#) speeches AND ITS FAR FROM LIMITED to my Dad or his the effects of his shitty job breathing toxic chemicals. All my step parents and parents and most working class parents (whether blue collar or white collar jobs (such as Doug Haines's techtronics job as an expert eletronical mechanical engineer or Dean Moore as an Accountant, or my Grandpa as an Accountant) are exhausted at the end of a day. FOR the Love of God isn't there some kind of safe-guard for Religious Organizations (such as the Bahai Spiritual Assembly) to account for each, and every child of Bahai parents's safety? There should be absolute total response to "At Risk Children" ASK IF families have extended supportive families or not? Screen and Vet custody situations!

I do not understand why the Bahai faith does not seem to allow me to disown this scum asshole of the Universe failure of failure of a dad for treating me like shit when I was the most vulnerable. **And yet the Bahai Administrative order was convinced I shouldn't in 2006.**

In 1978 The stage was sealed and set for this helpless suggestible vulnerable innocent child (me then) to start to follow likes of Keith Ronald Moore like a fish to water, as prey from a broken family to predator pedophile of a wealthy family. At first little child me was enticed and pleasantly amused by Keith, emulating his stupid toilet fake flatulence woopie cushion sound and other toilet humor of Keith Ronald Moore a.k.a. KRAMPUS (d.o.b. 01-04-1967 then age 12) .

"Okay Keith" was all my indifferent derelict dufus dipshit mentally retarded Dad could say to me when I would emulate Keith's raunchy toilet humor antics. My dad shirked responsibility, and made lame weak futile attempts to shame me and stigmatize me as though I was acting too much like Keith by saying "Okay Keith", in a failed attempt to teach me that following and emulating Keith was wrong. The consequence was to wrongfully

blame myself and hate myself because in my underdeveloped child mind I would believe that I agreed to be raped.

4-28-2022 Even though there's a part of me that's studied enough about mental health and psychological warfare and demoralization to know something about the catatonic paralysis and despair of repeated Complex Post Traumatic Trauma, which my parents undoubtedly suffered from and still suffer from. For the Love of God Why did I have to be born under such bottom of the barrel circumstances?

This video expresses what I mean by such demoralized parents:

<https://davidicke.com/2021/09/17/come-on-people-its-time-the-david-icke-dot-connector-videocast/> 10:00+ TIME STAMP ESPECIALLY = same as pedophile enabling parent pathology contempt: "What kind of self respect and dignity do parents have to stand for this and allow these psychopaths to do this to their children? Gregory Bateson's double bind theory: Double Bind scenario : Pedophile Grooming = Seeing perpetrator as protector, and surrounded by extreme denial and extreme stigma for being a child victim of sexual abuse and therefore covering up alleging being a victim of child sexual abuse: (I didn't report soon enough and was disbelieved or not taken seriously when I did.)

<https://Wordnik.com/words/doublebind>

double bind – *noun* – A psychological impasse created when a person perceives that someone in a position of power is making contradictory demands, so that no response is appropriate

double bind – *noun* – A situation in which a person must choose between equally unsatisfactory alternatives

“ According to Bateson, a double bind is a communication dilemma that comes from a conflict between two or more messages. So it doesn't matter what you do, because any choice you make will be wrong. This is a situation in which communication only causes suffering and can even lead to psychological disorders. ” a.k.a **“damned if you do / damned if you don't”**

1 of the ways that pedophiles entice children is to prey upon their victim's desire to be protected from bullies. Several incidents encountering playground bullies of older children violently harassing me while I was barely 6 or 7 years old was an enticement to seek protection from the covert pedophile older boys (Keith Ronald Moore especially and to some extent Matthew Gordon Field) that turned out to be deceptive, leading to “grooming”, / stockholm syndrome, and more coverup of the sexual abuse done to me.

Bahai Writings make it very clear fathers need to categorically forbid their children from being molested. Whether naively, or deliberately, My Father expected me (a 6 or 7 year old child) to learn to know about sexuality right from wrong. My father did not care about any “age of consent” laws regarding what went on between Keith and I while I was alone with Keith. My father did not care. MY father's attitude was such that whatever I agreed to alone with Keith was between me and Keith and it was my fault if I got hurt. My father was a de facto Pimp of his own son and he de facto wanted his own son molested. My father de facto wanted his own son to get butt fucked.

My father stigmatized me as though it was my choice, as though it was my agreement, and as though it was entirely my fault to get molested by Keith Ronald Moore, when in Fact my Dad is a de facto pimp of his own Son who wanted me raped. My dad effectively prostituted his own son. Dad blindly worshiped the charity and hospitality of Dean Moore and Alice Moore and the price being such a duped gullible moron who assumed children raised themselves was me as a child whore boy toy for their gay pedophile son of Alice Moore: Keith Ronald Moore a.k.a **the eternal #KRAMPUS** to commit pederasty upon me.

What kind of man enrolls and becomes a card carrying member of the Bahai Faith with such passages as this?

"We shrink, for very shame, from treating of the subject of boys." - (Baha'u'llah, The Kitab-i-Aqdas, p. 58)

"134. the subject of boys # 107

The word translated here as "boys" has, in this context, in the Arabic original, the implication of paederasty. Shoghi Effendi has interpreted this reference as a prohibition on all homosexual relations. The Bahá'í teachings on sexual morality center on marriage and the family as the bedrock of the whole structure of human society and are designed to protect and strengthen that divine institution. Bahá'í law thus restricts permissible sexual intercourse to that between a man and the woman to whom he is married. In a letter written on behalf of Shoghi Effendi it is stated: (Baha'u'llah, The Kitab-i-Aqdas, p. 223)

And treats their children as shitty as I was treated?

The Bahai Faith categorically prohibits parents like my Father abandoning children to raise themselves. My Father's attitude was that the mind of a child who is a 6 or 7 year old (who is way too young, way too underdeveloped and way too immature to know right from wrong) with a child mind must learn things through horrible consequences of trial and error.

My father blindly assumed consequences happening to me were my fault because my father did not care if I was hurt. My Dad's attitude when his own son, a child seeking a real supportive father, that Dad could not be, is enticed by a false male role model (the pervert gay pedophile punk)), it is perfectly normal to allow (the child mind me then / the child then) to be exploited, deceived and discovering the perverse behavior the hard way.

I never want to see my Father's face again for that derelict, dufus, dipshit dumbfucking pedophile enabling pedocidal attitude. I am ashamed of myself for having such a retarded tool for a father who I did not choose. Its very difficult for me to see his good qualities.

Dad did absolutely nothing to keep me away from Keith. I looked up to Keith in my child mind like he was a great funny guy and my Mamby Pamby Mom lapped up the enticement I was feeling as though she thought it was sweet and cute I found a friend she could dispose and abandon me with. Both parents naively terribly and horribly assumed I was safe or had no care if I wasn't.

No less complicit were Dean Moore (Krampus's Step Dad) and Alice Moore (Krampus's Mother), but at least my mother later in life did some owning up to why trauma based mind control might've made her so incredibly naive, gullible and stupid -- that has made perfect sense from what I learned from Cathy O'Brien and other Satanic Ritual Abuse Survivors. Not nearly the same kind of remorse nor genuine belief of his own criminal negligence ever came from my father's mouth that I remember.

Its been a long time trying to decipher what Sam Vaknin is really saying that's valuable sometimes because. Here's a couple of big entries:

1. He's an atheist (who are deceptive by design)

2. He's explained how he has a relentless cynical sadistic way of describing a pathology as though someone absolutely is the pathology with total relentless contempt as though he is describing a horrible individual person with the schadenfreude purpose of scaring and hurting and villifying an audience member as though that hypothetical audience member is that pathology.

3. He's an Israel Citizen and thinly veiled Mossad agent whose made videos pushing poison clotshot jobs referring to the unvaxxed as selfish. If you want to see un unabashed conniving unfiltered example of the worst Zionist asshole pathology look no further than Sam Vaknin's video "[Anti-vaxxers: Mentally Ill Victimhood Conspiracists \(References in Description\)](https://www.youtube.com/watch?v=EK-fcZd_qWQ)" https://www.youtube.com/watch?v=EK-fcZd_qWQ There's nothing quite as valuable as a bold faced liar who talks loudly and proudly long enough to give all the clues as to ex-

actly the kind of liar he is. Nothing and no one reveals the truth better. Its especially generous to hear all the legalese phrases, double speak, deception, relentless arrogant condescension, belittling, ever demanding He absolutely right in the face of proof to the contrary.

Sam Vaknin is far more humanitarian, although cynical as hell, far better heard having a conversation with Richard Grannon rather than his bullshit Mossad shill & clotshot poison jab pushing attitude in his monologues

IF I CAN LISTEN TO WHAT SAM VAKNIN IS SAYING about a pathology as though its an impersonal abstract, instead of him gaslighting with condescension towards me, and own up to what part of that abstract is what describes some of my bad habits, but not take it personally as though he's describing all of me, then that takes the edge off what he's saying. If I can listen objectively and not emotionally, I can take his bullshit tirade with a grain of salt, instead of an assault of belittling tirade of bullshit, and appreciate the good context of how I need to work on myself. Once I can distinguish that part Sam Vaknin is invaluable, otherwise when he makes crazy condescending blanket statements referring to "the narcissist" like its a real person or berating the audience. I really get a sense of what psychopathic belligerent intensely intellectual Jews are like. Its an ancient scary defense mechanism tried and tested like no other. Erica Toussaint sort of reminds me of Sam Vaknin. Words can't describe the kind of relentless caffeinated word salad barage of deep clever intellect of some of these high functioning high I.Q. people of that heritage (whether Ashkanazi or Sephardic). There's something about the way they survived eons of persecution that is a real mind fuck of overbearing hubris and belligerence that I'm inclined to commit to emulating in retaliation at the rate of revenge I feel sometimes.

If there's any kind of psychological explanation of Sam Vaknin's work that best describes the extreme denial, deception, gullibility naivity, and pathetic diseased attitude my father, Donald Wind, and Douglas Haines and a lot of pussified pathetic simp cowardly demoralized men have, that all contribute to a K.R.AM.PUS pathology running rampant, (and the esoteric Krampus in the sense of child abandonment delivered to child predators quite willfully and in a sense TRULY overt child sacrafice and murder):, I can't think of a better relentless breakdown of extreme pacifism described better than certain youtube videos about "The Collapsed Narcissist" and "Doormat Narcissist from Professor Sam Vakin: **"Fake Doormat Narcissist Explodes"** https://www.youtube.com/watch?v=_xXwFz8HJCY

Collapsed Covert Narcissist: Indifferent Doormat, No Boundaries
<https://www.youtube.com/watch?v=LHSjjyBAS2Y&t=0s>

Where Sam goes on and on about essentially a hypothetical spineless cuck whose wife constantly cheats on him who gets conned and duped a lot. In My Opinion these statements by Sam Vaknin in that video describes the catastrophically desensitized numb, catatonic bubble of indifference, complacency and denial that is sadly the pathology of many pedophile enabling parents (like my own) of the BabyBoomer generation of the USA. All my step Dads, (including George Field (briefly my mother's boyfriend) had some major desensitized deranged defect in perceiving the kind of cruelty that children experience while abandoned, quite possibly because they were exhausted mentally while home after long tedious dead end jobs and work week to where they could care less how their children sort out certain predatory situations. Is it any wonder that my Mother's last boyfriend, the only 1 that seemed worth anyone as a protective father was the late Roy Kenneth Walters, an Portland Cop? Who unfortunately succumbed to alcoholism.

Sam describes how more and more demoralization, and largely the reason why people are so compliant to gullibly believe in government propaganda of alleged health hazards and "take the koolaid" like in Jonestown.

This community of #fakebahais thought nothing of leaving children alone with the likes Krampus.

My naive father in 1978 (John Carl Lehman d.o.b. 11-30-1949 And his then equally naive and stupid mamby pamby wife, my biological mom (Carol Ann Lehman 12-19-1948) would sit through Bahai meetings in Milwaukie like a mindless zombies while children were left to wander into danger. Many other Bahai meetings were like these with children of various super young ages between 5 and well into teenage years going off playing hide go seek alone without adult supervision.

They were hoodwinked by #fakeBahai 's at #fakebahais meetings. They were in total groveling blind stupid zombified Stockholm syndrome deference to the hospitable great charitable hosts of the household Dean Moore and Alice Moore.

Dean Moore would be well into his 80's or 90's if he still alive, but most likely he has since deceased. He was the nerdy unathletic, but affluent indifferent step Father of K.R.AM.-PUS. He was geeky fucking tool (not that different from Doug Haines or Stephan Blair, or in many respects my nerdy old Grandfather Carl Menno Lehman who as an accountant too) of his generation. The men in such household have their roles and not much time to be bothered with perceiving how children interact alone. And its no surprise to me his 1 biological son, Krampus's younger half brother (Badi Moore) is a big awkward guy resembling Greta Thurnberg looking like he's on the spectrum with Aspbergers like her, grew up and was raised and decided to remain in Finland instead of the USA, and became a Finnish citizen instead travelling back to the USA.

Dean's ex-wife Alice Moore, who is (Krampus's biological mother) and family's house meeting was either Grove or Maple cul de sac Milwaukie, Oregon near intersection Railroad Avenue & Lake Road & Harmony Road) Lynwood neighborhood near 7-11 store. <https://bahaipdxwitness1984.wordpress.com/2022/01/07/the-house-of-dean-moore-alice-moore-1977-through-1982-as-i-remember-it-to-the-best-of-my-ability/>

While little old me at the time (only 6 or 7 y.o. experiences shocking harassment in public schools and other Bahai functions from bullies, The child me was enticed towards seeking "protection" from Keith R. MOORE A.K.A. KRAMPUS like a fish to water like a great friend and buddy. They thought nothing of leaving me alone for sleep overs with Keith.

One of the first red flags ignored by my mother was when Keith Ronald Moore was playing puppetry with his penis in his room in front of me where I was alone there with Krampus.

As the #fakeBahai meeting ended at the Moore's Household and I was left alone with Keith in Keith's bedroom, Dear little "loving" 29 year old mom walks in, sees Keith with his Pants down in front of me, and closes the door and assumes Keith was innocently changing clothes.

As though that obvious red flag incident wasn't bad enough. One time before the full molestations really started, Mom also thought it was perfectly normal for me to share taking a bath with Keith. (Around 1978). Mom would mindlessly assume the Moore family were their great extended family. It was also perfectly normalized from what I discovered where my mom lived with Aunt Betty in Mconnelville Ohio, for Mom to share a bath with Aunt Betty in a little 1 person capacity bath tub to "save hot water". The depths of the ghoulish lack of boundaries are insanely unknown. I wouldn't put it past my mother to have had many experiences being sexually abused when she was a child. She certainly had a lot of tell tale behavior of a Stockholm syndrome mamby pamby bootlicking work slave among more domineering and aggressive women such as, Erica Toussaint, and mom's weird co-workers at Oregon Health Sciences University. And God only knows what kind of bizarre relationship she had with Barbara Waldron in that household? <https://www.koin.com/news/friends-hope-to-keep-barbara-waldrons-memory-alive/>

Around this year in 2020 MY BIOLOGICAL UNCLE Daniel Lehman d.o.b. 02-27-1946 WAS in DENIAL that his YOUNGER BROTHER (MY DAD 11-30-1949) FAILED TO PREVENT ME FROM BEING SEXUALLY ABUSED. Dan SAYS to his son (my 44 year old cousin I don't even know) "Josh", QUOTE "Stephen Cosmos Arthur" is a phony name adopted by your cousin Karl who lives in a make believe World. It is best to ignore him but he lives for vendetta and is squandering his life with hatred. I have tried reasoning with him to no avail. Just ignore him and let him babble on. He is a fool and a phony. His real name is Carl. " - Daniel Lehman my Uncle 74 to my Cousin I hardly

Imagine how much safer the world would be totally lampooning, and shaming the legacy of certain lackadaisical stoned, drunk and/or stupid complacent spoiled arrogant baby boomer behavior? Just imagine how those parents treated their own child here back in the 1970's & 1980's saying bullshit about a child naively picking up a beer and drinking it. These pedophile enabling adults might say something like this: "It's no big deal. Gotta let em' live and learn on their own sometime. "

Imagine REALLY never forgetting and nipping in the bud all implications of parents with such attitudes? which, IF LEFT UNCHECKED begets even more disgusting Criminal Negligence going on and on down the line to escalating

more abhorrent criminal negligence such as allowing that child sleepovers (as was done to me) and babysitting sessions with older pedophile grooming kids (as was done to me)?

What kind of parent would fail do his part preventing this kind of behavior by pretending its the child's fault, the State's fault, or the other parent's fault? No one I care to remember or know ever again, but unfortunately my own.

I've discovered maybe at least one of Stephen Blair's homes is still the property and very likely the residence of this brother-in-law of Erica Toussaint who just turned 71 shortly after This last Winter's Solstice in 2018. going to get around to share what his conviction was. I can't say I like all his videos nor know he is genuinely recovering from desire to commit such horrible crimes, but its a brave admirable notable gesture.

Here is my main comment to that self proclaimed "modern day leper" channel:

I have learned to forgive some abusers of the children I know, but not until I had to do my part to know what I could do to make sure they're sufficiently punished, account for my memories of them and their deeds, and do it expediently and feel no remorse about it because I do not want to risk sinking to their level. I never believed in eternal hell. The amount of time it takes to learn how to deal with and recover from a tragedy is finite (though it may seem like forever). How long that takes for you is probably not going to be perceived by a lot of your audience, but I appreciate the gesture that you are working on crawling out of both your self inflicted hell along with the hell you inflicted on others, and the hell that others inflicted on you. A lot of male survivors of being child victims of homosexual pedophile grooming (coercion and cajoling) were too frightened of the stigma and being faulted as homosexuals once we've discover we're heterosexuals (usually around puberty). With no way to report the perpetrators soon enough the perpetrators go on often with impunity and don't get caught. Those survivors sometimes inherit a lot of the stigma of homophobia from others, homophobia from self (because of absent father figure issues) that made us prey to grooming, heterophobia of self (because of absent mother issues:Especially when Mom abandoned us and says she wishes she didn't want to have us its kind of scary and difficult to respond to cues of sexual attraction from Women Peers. Think about it: who wants to risk the same mistake as DAD and mistakenly knock up a woman who might treat her children like shit teaching them Dad was a piece of shit again?! There's also a stigma towards survivors as alleged sex offenders even when they're neither homosexual nor any kind of sex offender because the former child victims can be quite socially awkward, eccentric and distrustful of others from CPTSD so that they are hindered from a lot of important life opportunities .

I had been systematically traumatized since birth (some real early memories got dredged up that I haven't written about much yet) (some head injuries, verbal abuse, violent abuse

and the sexual abuse done to the child me (ages 6 to 10) by then those still adolescent minors (Keith Ronald Moore 1-4-1967 a.k.a. K.R.a.M.PUS (whose about 5 years older than me) & (Matthew G. Field 8-17-1969 (whose about 2 years older than me)

have rendered a lot of life opportunities relatively shit compared to a lot of my peers of my generation through very little fault of my own

especially compared to what I'm pretty convinced **might have** been a lot better had none of those tragedies happened.

Even though hindsight is 20/20 vision & foresight is legally blindness.

I'VE DECIDED TO COMPARE a lot of my tragic situations to a ship wreck at sea or any major transportation wreck, perhaps a trainwreck? or a big multiple car wreck? As someone whose emerged as survivor or ship wreck reporting. the analogy of Gordon Lightfoot Lyrics "The Wreck Of The Edmund Fitzgerald" Song come to mind "

*"The searchers all say they'd have made Whitefish Bay
If they'd put fifteen more miles behind her
They **might have** split up or they might have capsized
They may have broke deep and took water
And all that remains is the faces and the names
Of the wives and the sons and the daughters"*

HAD MY PARENTS SIMPLY GOT FAMILY COUNSELING AND PSYCHOLOGICAL HELP way back in the early 1970's while in Ohio they **might have** stayed together and never divorced and I **might have** been raised around more sensitive loving kinder essential support of extended biological family!

AND instead of passing the burden onto me by systematically traumatizing my development since birth (some more real early memories got dredged up that I haven't written about much yet)

and instead of abdicating & abrogating their parental responsibilities of my child and adolescent upbringing onto the Haines & the Winds family, who in turn could only do a half wit job.

They *might have* been able to take full advantage of supportive blood relatives of Swiss Mennonite practicing Christian heritage in laws (Families of my Dad's siblings)

There just *might have* been just a little more sensitivity than the kind of extreme abandonment burden I was faced with, with just a little more support of the reality of my situation..

FOR WHATEVER GODFORSAKEN or God Blessed Fouled-UP REASON:

I really have to do a deep dive on these words of "My Calamity is my Providence" – Baha'u'llah <https://reference.bahai.org/en/t/b/HW/hw-52.html>

and find something beyond this:

I have a responsibility as a survivor of a proverbial shipwreck being born into a family of parents who FAILED at family planning horribly. to report the truth of how other survivors can have more than a snowball's chance at surviving, Yet the older I get the more the responsibility seems to revolve around warning people of my mistakes of failing to survive with this shit hand of fate being dealt rather than villifying the failures of my parents.

A lot of the Bahai Writings allude to an endeavour of Spirituality as launching a great Ship on an Ocean Voyage a lot like the epic ballad "The Wreck Of The Edmund Fitzgerald". Baha'u'llah has "Tablet of the Holy Mariner" & this verse in the 7 Valleys comes to mind

"If Khidr did wreck the vessel on the sea,
Yet in this wrong there are a thousand rights. [1]
[1 Jalalu'd-Din Rumi (1207-1273 A.D.); The Mathnavi. Jalalu'd-Din, called Mawlana ("our Master"), is the greatest of all Persian Sufi poets, and founder of the Mawlawi "whirling" dervish order.]"

As part of the tendency to dissociate, with search results "**dissociative identity disorder**" issues, I've discovered there's always that disabling condition that can be mitigated with creative outlet and creative catharsis. I've written many entries on how The Movie Donnie Darko is a good one for Survivors of abuse like me to look for symbolism.

And so I still pray and hold the kind of mythical Legendary magical dreamy fantasy thinking of the most likely unattainable entirely hypothetical peer girl of my generation who I never really knew, but had crush on, Miss ALM (see previous posts) super Athletic Goddess (in our unflawed unscarred youthful 19 YEAR old born again virgin forms. (in my UnCircumcized immaculate athletic stud form designed exclusively for her absolute smoking hot form with those "2 founts of gleaming milk") etc. beyond the most beautiful playboy bunny caliber etc. . . .

yet CURIOSLY unknown (because she is a living Person) as the Gold Standard Beautiful projected fantasy vision of the Optimal and the Ideal this physical material world could offer hypothetically, who would be on par with those fortunate, undamaged by the kind of child abuse done to me, lucky, privileged, talented, smart, wise and responsible enough to experience an experience that must be available in a Parallel Universe or other lifetime somewhere just because often the experience of people finding their partner of the opposite sex, is so so absolutely robbed and raped away absolutely wrongfully away in this oppressive lifetime.

And I hold that optimal ideal Fantasy situation in Gold and Mithril Raging forged and heart hardened hammer, of a mysterious muse of my youth robbed away, (unapologetically bordering on eroto-mania damn nearly tempted putting her on a pedestal) to psychically smash the utter contemptuous arrogance of the kind of parents and people in the psychopathic sadly misguided fledgling community of 1st Generation Babyboomer #fakebahais ruining MY LIFE in my CHILDHOOD with such OBSCENE ANATHEMA of Bahai Child raising principles done to me by THEM! Because they were Pedophile enabling scum. AND so its only FAIR I openly don't hesitate to make memes like the meme collages I've posted.

Those who would JUDGE me and say I had it pretty good growing up, or those who would say others have it way worse than I and **JUDGE ME** by saying I always have a hell of a lot of blessings that I need to count but don't. Those that **Judge me** and say that I squander those blessings, and that I didn't have it all that rough, and that I am wrong for "thinking I'm special" or "looking a gift horse in the mouth" like Carol A. Haines (the old Horse Sadist who loved playing favorites and castrations games with her stallions and sons and stepsons (me)

all those conniving psychopaths.

And especially those who would **JUDGE ME** perceiving me as having an overinflated sense of entitlement or ego from the perspective of the arrogant narcissistic old babyboomers who've known copious smooth sailing material successful opportunities as the truly most spoiled generation ever,

THOSE JUDGEMENTAL PEOPLE PROBABLY ALL HAVE NO CLUE the kind of "roughness" and harsh childhood is from another's perspective. The judger doesn't experience the kind of wickedness of having childhood and youth bludgeoned, robbed and raped with psychotic hypocrisy against A religion that professes to be The Latest Greatest Manifestion of God. They have no clue the stark obscene contrast and the anathema of principles from these halfwits from the families of someone else's own parents and the foster-like step parents' families.

Perhaps maybe a metaphor for my child and adolescent mind is that of a hungry bunny horny jack rabbit man, another version of The Story of the **Bre'er Rabbit**, who witnessed flaunted and displayed in his face some of

the most nutritious delicious best carrots & other green pastures for herbivores AND the best female bunnies the world could ever offer being dangled and cockteasing him **(The confusion of what the The Bahai Faith means)**, promised by a sadist **(the criminally negligence of all adults complicit where I was raised as a child) promising** that I can experience these carrots all the while also discovering the prized carrots they're sequestered, hoarded, and withheld and beyond my reach by unmerited unspoken vicious highly competitive cruel games of unspoken hierarchies, hazing and pecking orders. Maybe this is the best metaphor of the Horror Bunny Costume Character Frank in the Movie Donnie Darko as the Quintessential Bre'er Rabbit scarred, battered tar stained survivor lone Survivor of the proveriable Briar patch who lives to warn others of the predators' deceptive tactics and warns them and teaches them how to defeat the predator?

All these issues are "doublebind" are part of the Gregory Bateson Doublebind Theory of Schizophrenia.

Extreme stark obscene contrasted anathema to the optimal and ideal is another way to describe what psychology calls **"splitting" "disossiative identity disorder" "double bind" and many other synonyms and connotations for a very complete vocabulary (for those who collect words on psychoanalysis jargon).**

You Judgmental complacent people don't know what it is to perceive more than a fair share of mockery by the very existence of peers who have everything while I have shit, if not the majority of peer pressure peers who are far more favored with nepotism relative to me. You didn't experience the snobby suburban arrogant yuppy boomer attitude of the 1980's, and their conviction that all their privileges then and there were directly proportional to their merit when in fact a lot of them were narcissistic old spoiled deluded brats.

I dare say I doubt you perceive the level of hypocrisy that creates an extra burden on the already over challenged. You blue pillled complacent snobs, don't understand the burden of great integrity we're held accountable as Bahais.

ESPECIALLY THIS ONE BY ABDU'L-BAHA of TRUE GENDER BALANCE, HARMONY & EQUALITY OF THE SEXES :

"92: 0 ye two believers in God! The Lord, peerless is ...
O ye two believers in God! The Lord, peerless is He, hath made woman and man to abide with each other in the closest companionship, and to be even as a single soul. They are two helpmates, two intimate friends, who should be concerned about the welfare of each other. If they live thus, they will pass through this world with perfect contentment, bliss, and peace of heart, and become the object of divine grace and favour in the Kingdom of heaven. But if they do other than this, they will live out their lives in great bitterness, longing at every moment for death, and will be shamefaced in the heavenly realm.
Strive, then, to abide, heart and soul, with each other as two doves in the nest, for this is to be blessed in both worlds. – Abdu'l-Baha"

YOU CAN'T JUDGE! What that's like! TO THE DETRACTORS:

Those who accuse me of **the boy who cries wolf**, who bears false witness, is vindictive, jealous, envious, spiteful, a liar. etc. etc. etc. Why lie? The description of these problems by **Marie Louise von Franz** explaining men with afflicted "anima" & "animus" issues describes some of my own problems and so does some of that fear of inheriting emulation from my step parents and parents!

MUSINGS ON the irony of an attitude of a contest to proclaim whose childhood or adulthood was rough? or who can survive best? sometimes I really wonder!

I'll always suspect Jay Parker (born 8th of August too like Amatu'l-Baha Ruhyyih Khanum) is being guided to tell his survivor story:

Dariah Barazandeh <https://www.youtube.com/watch?v=lFSKlrjWLeE>

I cannot
but help
mention
this lady
"Dariah

Barazandeh" is almost exactly 2 years and 1 day older than me. She is about 21 or 22 degrees Virgo A Solar Return Soul Sister. Here's her 2017 presentation to her local high school "on talking to your kids about porn" which I actually appreciate in a demented twisted sort of way but here's the twist: I am positively identifying her as the Oldest of 2 Daughters of Marcia Van Orman and since deceased Persian immigrant ex-husband Man who past away in 1987 hardly older than 57 at the time he was died. (Marcia Van Orman was who I blogged

135 of 148 "MATTHEW 25:40 And the King shall answer and say unto them, Verily I say unto you, Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me." HW Arabic #30 "O SON OF MAN! about having some contention with Ann Filmore). Marcia was also who I remember as a very overbearing mean personality (though not a direct victim nor witness of any of her wrath personally, that was her reputation). I've compared Marcia to Nurse Ratched in the "One flew over the Cuckoo's Nest" Novel by Ken Kesey that became a 1975 Movie. The child me was afraid of Marcia at that fireside / deepening gathering in Autumn West Linn 1977. My mother told me straight up Marcia reminded her of mom's Wicked Step mother. And the epic irony of that video of Dariah's after how I was first introduced to that family when I was about 6 years old in Autumn 1977 yuppy snobby neighborhood West Linn, Oregon and Dariah was 8 years I corresponded to Dariah via facebook about 3 years ago and told her there's a penchant for some of us celibates to seek Adult material of the opposite sex with Judicious sense of completely voluntary demonstrations of anatomical compatibility from those way into adulthood.

I blogged and detailed that problems and patterns of abuse and bullying from abandoning children at Bahai Functions that still to do this day makes me ill thinking that children are vulnerable to all that. The time at that fireside abandoned with Dariah and another girl her age was particularly difficult as I was not welcome there nor in the main fireside / gathering in the Living Room with all the adults..

I do not know what to make of Daria Barazandeh .

I don't know whether to make of her as a LONG lost True Elder Soul Sister Generation X'er on the Front line of Bahai Issues with Raising Children and YOUTH in public schools truly fighting the good fight.

I do not know if I can make of her as someone going where certain Barbie doll dingbats of her and my generation won't go because they're cowards.

Or maybe whether I should WRITHE in vicious resentful raging shame at her being another example of stark contrast my involuntary consigned celibacy

136 of 148 "MATTHEW 25:40 And the King shall answer and say unto them, Verily I say unto you, Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me." and disparity, the disadvantage I'm at relative to yet another peer, which is the notion of another Yuppy snobby arrogant karen in the Bahai Faith, privileged, from an ivory tower position on the hill looking down patronizing and condescending to the suffering of the plebian deplorable celibate little men who are a little more inclined to masturbate and view adult material than the happily married old yuppy bahai karen getting some real deal dick from her yuppy Bahai husband?

From the peception of a demoralized man, being a trophy bitch gifted with much potential with a pair of "gleaming founts of milk" and baby making body for a Sugar Daddy always looked like an easy route for some women, whereas being a boy toy trophy athletic stud, not quite exceptionally endowed, for a Sugar Mommy was never something that was an easy route nor did I have much ability to pursue. (at least not for me) as I would then be a gigolo bitch boy. I don't know of guys who go that way with women.

Maybe this discovery of yuppy well to do Dariah Baranzadeh warning Parents of children and teens about Internet Pornography is the "gnashing of teeth" of the un-utilized "1 talent" as a 1-talent nobody wonder biblically in the book of Matthew 25 24-30 ?

With obvious disparity of socio-economic family situations and advantages over me and and while I am without the luck and privilege of the "real deal" of a being Bahai spouse material for a Bahai wife?

Contrasted with while she may have had the real dick from Bahai husband available she's been happily been riding her entire adulthood, while little old demoralized me kind of floundering in that area of finding trustworthy procurement of ultimate joyful intimacy with a woman that lasts?

I cannot help but ask: What an ironic funny old Prima Donna fellow Sun Virgo forensic investigator Dariah B is of my own heart? ! What A truly sacred clown soul sister like [Christie Aphrodite?](#)

<https://anticonformityrage.blogspot.com/2020/11/when-guardian-just-froze.html>

Dariah is kind of an enigma of fascination to me, being such solar return twin, a lot like [Christie Aphrodite](#) in the sense of solar return resonance and a full reflection of anima / animus in ways I can't describe. What a Funny Bahai yuppy old Half Persian Lady ? Of MIXED HERITAGE like I'm of mixed heritage (fair complexion Chicano-American Indian / Swiss German Mennonite)? I wonder if her Persian Dad was from Yazd like my Half Persian Bahai Pilgrim peer from 1991? I tend to feel like all people of mixed heritage and ethnicity and parents like I am of mixed heritage too (Dad Swiss-German Mennonite & Mom Spanish distant American Indian!) resonate with similar inner conflict, even though some of them seem more fortunate than me. What a fucked up stark contrast of lifestyle opportunities for past 44+ fucking years (real or imagined)?

I'll never forget that funny brief interaction between my step brother Vimal Wind (d.o.b.9-17-1970) & Dariah Baharanzadeh (d.o.b. ~9-14-1969) Where she gave him an excited snarky teasing look like "So who are you little boy" and the Vimal replied "So who are you little girl" It was like a weird animus anima mirror image of Virgo guy with Mean and Asshole Capricorn Father confronting Virgo lady with Mean and nasty Bitch Capricorn Mother.

I corresponded to Dariah a few years ago and told her there's a penchant for some of us celibates to violate the Bahi chastity standards Baha'u'llah forbids by seeking Adult multi-media fantasy material of the opposite sex with at least some ethics not seeking exploitation just an anatomy demonstration of beautiful women well into adulthood displaying their accomodating anatomy designed compativle for our manhood. Some of us have a judicious sense of completely voluntary indulgence, fascinated by the beautiful display of accomodating anatomy from the opposite sex.

Some of that entails addictive predilictions to mitigate the shame of Celibacy and the shame of the kind of dumbfucking derelect dufus parents

That’s why I still kind of cling to the Bahai Faith which does have exemplary good Mom & Pop teams of 1 Woman and 1 Man coexisting the way life is optimally and ideally meant to work! The prime example I can relate to and perceive is Amau’l-Baha RK & Shoghi Effendi

but sometimes LIFE IS SUCH A deranged JOKE THAT I absolutely have To feel like there’s a part of me Traversing and Travelling Time into another Parallel Universe where THINGS are A LOT DIFFERENT and a hell of a lot more favorable and Pleasurable to me and a lot of other good people!

Marie Louse von Franz (protege of Carl Jung and Jungian psychologist) has famously gone on to describe anima / animus in many other videos available (on youtube & elsewhere online). She makes educated good explanations of a lot of pathology of women and men. She drops a lot of clues that far more rational explanations and means to heal gender dysphoria, gender estrangement and gender miscommunication in psychology than this kind of LGBTQA pushing bullshit.

kind" to me when I was most helpless and vulnerable as a child, Even when its my dying breath.

In my opinion, The degree of nescience, ignorance, or deliberate malicious intent in any harmful course of action and consequence situation is never completely clear to know except on an individual case by case bases between that individual and God and no one else. The Bahai Writings are full of passages where its always possible for someone to redeem themselves from sin, but that all said it took a real F.U.B.A.R. (Fouled Up Beyond All Recognition) class act of hypocritical demoralized, desperate, self loathing lowlife parents to on the one hand zealously be attracted to the Bahai Faith, love Baha'u'llah, and be in such enamored elated joy of Baha'u'llah's teachings, enrolled in the community, yet on the other hand FAIL such a fundamental commandment of Baha'u'llah to protect their own children from abuse within a Bahai community. That smells more like "willful ignorance" rather Than "nescience". The helpless innocent child who was a victim of that kind of abandonment doesn't feel the difference (between his parents alleged nescience nor "willful ignorance"). That child experiences directly the adverse consequences more than anyone. I will proclaim my parents and their peers in that community were grossly criminally negligent pedophile enablers, totally #fake bahais, complete and utter anathema to Bahai principles that Indeed Baha'u'llah proclaimed in this verse **"We shrink for very shame from treating of the subject of boys" -Baha'u'llah** which has since been explained by the successor heads of the Bahai administration to include meaning "THOU SHALT NOT ALLOW anyone to have SEX WITH ANY CHILDREN !" Thou shalt not aid abeit child molestation.

BAHAI WRITINGS CHILD ABUSE

When reputation is shit status by birth from too many disgusting memories of child abuse that were not my choice, then to some degree its my karma to that reputation and status becomes inverted towards empathy for those less fortunate. Its blissfully tempting to no longer care about "reputation" in mainstream community, but rather to invert reputation to some degree in total Vulgarity and contrarian anguish (the path of Loki or the Heyoka) out of respect for those far more unfortunate than me.

I can't personally care to admit to extreme child abuse done to me and expose it and eradicate it all by bringing the sunlight alone. If it wasn't for extreme whistleblowers like Cathy'O'Brien, Jay Parker, and various other Whistleblowers blowing loudly and proudly without mincing words, how in the fuck would ever get a sense that someone else in the world cares. If it wasn't for all these extreme testimonies from survivors telling me I'm not alone I'd go nowhere. Who in their right mind ordinarily wants to admit their own parents aided and abetted their own children being abused so perversely as fag pedophile grooming? In many ways I'm still a Bahai kind of on the fringe feeling obligated to deliver urgent babies from bathwater so that only eccentric scholars of astrology, metaphysics, and psychology can possibly appreciate.

SILVERTON FOUNDRY AND SILVERTON OREGON Fritz Springmeier alludes to the town of Silverton and surrounding area in Marion County Oregon. I experienced definite fringe element of satanic behavior done to me as a child. I wrote about how I was left alone with George who was a pedophile enabler for his son Matt in previous posts:

1 of the most difficult things to reconcile is growing up in a Bahai community that decries "backbiting" and "fault finding" as horrible sins when hypervigilance from CPTSD makes a certain amount of suspicion of others' faults inevitable, especially when the child was hurt by others.

" You know, I want to talk about freedom. You know to my great surprise, people do not know that liberty and freedom are synonyms. You take the Gleanings and go back to the index and look up everything that Bahá'u'lláh has said about liberty, and just put the word freedom in, and you'll have it right. There's no two words in Persian, there's only freedom. But liberty is a more literary term, and the Guardian writing such beautiful English put liberty because of its literary character, and it means freedom. I just like to read you some of his passages on this subject, they're the most telling anyway. He says, "We find some men desiring liberty and priding themselves therein. Such men are in the depths of ignorance. Liberty must, in the end, lead to sedition whose flames none can quench. Liberty causes man to overstep the bounds of propriety and to infringe on the dignity of his station. It debaseth him to the level of extreme depravity and wickedness. The liberty that profiteth you is to

be found nowhere except in complete servitude to God". Thomas à Kempis, the great Christian mystic put it very beautifully, he said: "For the strict way of thy commandments is the only perfect law of liberty", so beautiful. [2:01] Bahá'u'lláh says: "True liberty consisteth in man's submission unto My commandments. Were men to observe that which We have sent down unto them from the Heaven of Revelation, they would, of a certainty, attain unto perfect liberty." And this freedom, I'm going to use the word freedom now, this freedom that we have in the world today, this permissive society is shaking the planet to bits. It's shaking it to bits, politically. It's shaking the way it's banded around in some countries nationally. It's shaking it to bits economically in many ways. It is shaking it to bits morally, because there is nothing that is not barred in the name of liberty, and you people who live in the United States, you ought to know what's going on in the name of freedom because of not being able to hold anything back because of what's written in the American Constitution.

You can have an ocean of filth pouring, wave upon wave, over the children and the youth and the adults of these countries of the West, particularly the United States, because they can't handle the clause in the American Constitution to do with freedom. And of course, that's not what the founding fathers had in mind at all

and everybody knows this is a long subject, but the point is that this kind of freedom is AN ANATHEMA to the Bahá'ís. We do not believe in that kind of freedom. And I think that the Bahá'ís are very remiss in their understanding of freedom. They go on banding it around. We have to be free. I have to do my thing. The children have to be free. Why should the children be free? Look at the generations that come along outside of the Bahá'í faith that has been free, and take a good look at it. It's awful. That's what freedom leads to. The Master said that you have to prune the tree, you have to cultivate it. You have to cut it back forcibly. Then you will get the fruits otherwise you won't. And I think that we Bahá'ís have got to be on our guard against this perfectly ridiculous concept in the world today that freedom is right in itself. It is all wrong according to Bahá'u'lláh, obedience to the cause: YES!

"At first it is very difficult to welcome death, but after attaining its new condition the soul is grateful, for it has been released from the bondage of the limited to enjoy the liberties of the unlimited. It has been freed from a world of sorrow, grief and trials to live in a world of unending bliss and joy.

The phenomenal and physical have been abandoned in order that it may attain the opportunities of the ideal and spiritual.

Therefore, the souls of those who have passed away from earth and completed their span of mortal pilgrimage in the Titanic disaster have hastened to a world superior to this.
