#OurStoryIsOne
داستان ما یکپست

"The principle of light and shadow, setting each other off, the one intensifying the other, is seen in nature and in history; the sun casts shadows; at the base of the lamp lies shadow; the brighter the light the darker the shadow; the evil in men calls to mind the good, and the greatness of the good underlines the evil. The entire life of the Guardian was plagued and blighted by the ambition, the folly, the jealousy and hatred of individuals who rose up against the Cause and against him as Head of the Cause and who thought they could either subvert the Faith entirely or discredit its Guardian and set themselves up as leaders of a rival faction and win the body of believers over to their own interpretation of the Teachings and the way in which they believed the Cause of God should be run. No one ever succeeded in doing these things, but a series of disaffected individuals never ceased to try. The ringleaders misled the fools, the excommunicated tried to pervert the faithful. "

EVIL EXISTS EVIL EXISTS EVIL EXISTS EVIL EXISTS

"We must never take one sentence in the Teachings and isolate it from the rest: it does not mean we must not love, but we must reach a spiritual plane where God comes first and great human passions are unable to turn us away from Him. All the time we see people who either through the force of hate or the passionate attachment they have to another person, sacrifice principle or bar themselves from the path of God. "We know absence of light is darkness, but no one would assert darkness was not a fact. It exists even though it is only the absence of something else. So **evil exists too, and we cannot close our eyes to it, even though it is a negative existence. We must seek to supplant it by good, and if we see an evil person is not influenceable by us, then we should shun his company for it is unhealthy.**"

(From a letter written on behalf of the Guardian to an individual believer, October 4, 1950:

Spiritualism, Psychic Phenomena and Related Subjects p. 4, a compilation from the

Universal House of Justice, February 14, 1973 to National Spiritual Assemblies) (Compilations, Lights of Guidance, p. 512)

RIDVAN 2024 Public Statement for Baha'i Administration

facebook user Stephan Arturius

<https://exponentialaltruism.wordpress.com> & other links to other blogs and usernames in multiple platforms

Especially Pursuant to: 'Abdu'l-Bahá Source: US Bahá'í Publishing Trust, 1976 edition Pages: 449 <https://reference.bahai.org/en/t/c/BWF/bwf-109.html>

"That is, it is enjoined upon the father and mother, as a duty, to strive with all effort to train the daughter and the son, to nurse them from the breast of knowledge and to rear them in the bosom of sciences and arts. Should they neglect this matter, they shall be held responsible and worthy of reproach in the presence of the stern Lord.

This is a sin unpardonable, for they have made that poor babe a wanderer in the Sahara of ignorance, unfortunate and tormented" etc.

.

Pursuant to: Baha'u'llah warning against pedophilia and all forms of child abuse in general

"We shrink for very shame, from treating of the subject of boys. Fear ye the Merciful, O peoples of the world! Commit not that which is forbidden you in Our Holy Tablet, and be not of those who rove distractedly in the wilderness of their desires."^[2] " - **Kitab I Aqdas**

And especially the stigma of the 3 word phrase "shameful sexual aberration"

https://bahai-library.com/compilation_homosexuality_bwc/ in the midst of Libtard depraved society determined to be proud of it

"Bahá'u'lláh has spoken very strongly against this shameful sexual aberration, as He has against adultery and immoral conduct in general. We must try and help the soul to overcome them." (25 October 1949) https://bahai-library.com/compilation_homosexuality_bwc/

"Among the young ones in the community are those known as junior youth, who fall between the ages of, say, 12 and 15. They represent a special group with special needs as they are somewhat in between childhood and youth when many

changes are occurring within them. Creative attention must be devoted to involving them in programmes of activity that will engage their interests, mold their capacities for teaching and service, and involve them in social interaction with older youth. The employment of the arts in various forms can be of great value in such activity.” https://bahai-library.com/uhj_ridvan_2000/

which given how words have multiple context succinctly put by Late Comedian George Carlin https://www.youtube.com/results?search_query=george+carlin+context

also seems to me to be denouncing everything pervert homosexual pedophile / NAMBLA / faggotry / sodomite [Bacha bāzī (Persian: بچه بازی, lit. 'boy play')[1] . that was going on in the old [Siyáh-Chál](#) -hole howling towelhead country,
which pursuant to Shoghi Effendi's words

<https://www.bahai.org/library/authoritative-texts/shoghi-effendi/advent-divine-justice/3#496642817> and lots of other published accounts:

:

“indescribable state of decadence, with its attendant corruption, confusion, intolerance, and oppression, in both the civil and religious life of Persia, so graphically portrayed by the pen of a considerable number of scholars, diplomats, and travelers, at the hour of the Revelation of Bahá'u'lláh—all demonstrate this basic and inescapable fact. To contend that the innate worthiness, the high moral standard, the political aptitude, and social attainments of any race or nation is the reason for the appearance in its midst of any of these Divine Luminaries would be an absolute perversion of historical facts, and would amount to a complete repudiation of the undoubted interpretation placed upon them, so clearly and emphatically, by both Bahá'u'lláh and 'Abdu'l-Bahá.”

What kind of real Baha'i can deny such racist slang terms (howling towel heads from [Siyáh-Chál](#) -hole country) are not without apt historical precedence from Persia during the 19th Century and not much better now given what Shoghi Effendi says in Advent of Divine Justice: <https://www.bahai.org/library/authoritative-texts/shoghi-effendi/advent-divine-justice/3#496642817>

The dire injustice committed upon children by the incredulous criminal negligence of certain baby boomer 1st generation & slightly older adults (born mostly between 1939 through 1957) of card carrying active members of the Baha'i Faith (who include my own parents), where the former child me was defenseless under their heavy handed cruelty due to stigma (and fear of punishment that child was complicit even though his undeveloped mind wasn't able to discern the deception, abandoned with

abusive older youth and children, some of whom were pedophiles who had their ways with that child, in the Portland Oregon Metropolitan area (mostly Milwaukie and Clackamas County) between 1977 through 1990 especially.)

, also subject to a hostile environment where biological parents' marriage ends in divorce, their legacy hypocrisy, the abdication of parental duties abandoning that youth child me in 2 foster-like Baha'i Families while I was between 12 and 16 (neither of those 2 families of whom bothered to consider the abuse I had experienced prior to tenancy there) , and especially the extreme stark contrast mixed messages:

#1 Become a great revolutionary crusader, "seize participant of Baha'i Faith's Great Leap of evolution anointed by contract and oath to become and commit to being "leaven of God" with an extreme overbearing amount of the fate of the world personally on my shoulders

"The Bahá'ís are the leaven of God, which must leaven the lump of their nation. In direct ratio to their success will be the protection vouchsafed, not only to them but to their country. These are the immutable laws of God, from which there is no escape: "For unto whomsoever much is given, of him shall be much required."

Shoghi Effendi, Lights of Guidance, p. 136

and reap the rewards beneficiary earning some solace, bliss and joy committed to some sense for an optimal ideal utopian society,

being contrasted with

#2 extreme imposition of experiencing child abuse and abandonment from his own parents with mixed messages, hence crushing opportunities to participate in reproducing a better generation:

Pursuant to Baha'u'llah's own advice:

"Marry, O people, that from you may appear he who will remember Me amongst My servants; this is one of My commandments unto you; obey it as an assistance to yourselves." --Bahá'u'lláh

, the extreme stark contrast of my life and the lives of a lot of far more materially fortunate peers of mine I was surrounded by (both Baha'is and non-Baha'i),

And all the failure of the adult Baha'is then and there to protect children from abuse resulting in delayed reaction and ability to account for their crimes , the belated discovery of the devastating psychological

damage they inflicted, enduring extreme medical malfeasance of an involuntary medical abduction (instigated by certain foster parents and my own mother in 1996) stigmatizing me further, and a lot of other cruel setbacks has become such a nearly impossible barrier to credibility, so much so that such mental injuries and forced loss of opportunities, jeopardized and crushed a lot of otherwise victorious essential life goals of ever being much of an authentic Baha'i husband and father material for a Baha'i wife and mother material.

All that great parental consent for marriage law, of such ridiculous cruel parents, with a lot of crushing wrongful stigma of being a child victim to homosexual pedophile coercion extreme abuse and disunity of his own parents, leaves but little recourse to make open public whistle blowing testimony.

Words can't describe the temptation to be far too cynical and defiant for one's own good, feeling contempt above and beyond the burden of a lot of more mutually fortunate Baha'is who have no experience of such tumultuous family life, as a child, doubtfully can ever even barely imagine.

Maybe psychological research on what possesses someone to be a comedian with such search terms as "morbid humor" "sardonic humor" "trauma and humor" repetitively delivering "dark humor" [Baha'i Blogcast with Rainn Wilson - Episode 30: Omid Djalili https://www.youtube.com/watch?v=HJ4_zKliUcI](https://www.youtube.com/watch?v=HJ4_zKliUcI)

or [Heyoka sacred clown https://www.youtube.com/watch?v=Y03lmTt1-1w](https://www.youtube.com/watch?v=Y03lmTt1-1w)

might explain some of the coping methods to mitigate such extreme hypervigilance from "complex traumatic stress disorder"

Maybe this illustration

<https://twitter.com/spiralcosmosart/status/1784108883713339556> might give some clue of bizarre mental survival habits and coping mechanisms for such penchant to be cynical and seek comic pain relief and other pain remedies, often unfortunately vulnerable to addictions?

However pursuant to:

Arabic hidden words- 51 -

O SON OF MAN! My calamity is My providence, outwardly it is fire and vengeance, but inwardly it is light and mercy. Hasten thereunto that thou mayest become an eternal light and an immortal spirit. This is My command unto thee, do thou observe it. Bahá'u'lláh"

I cannot help but come to the conclusion Baha'is incredulous of the consequences of failing child protection accurately are complete utter and pathetic deranged snobs. Duly apt context word usage of "snobs" is concluded **pursuant to** a historical speech by the last loyal Member of the

Baha'i Holy Family Amatu'l-Baha' Rúhiyyih Khánum the Wife of the Beloved Guardian Shoghi Effendi:

where she calls out snobby Baha'is and says **"they're becoming snobs"**

https://bahai.works/Transcript:Ruhyyih_Khanum/On_marriage_and_family,_1982

https://file.bahai.media/5/57/Ruhyyih_Khanum-Marriage_and_Family_ABS_1982.mp3 On Marriage and Family, address at the ABS Annual Conference (1982) mp3

so much so that pursuant to:

The Universal House of Justice Department of the Secretariat 1 December 2019 https://www.bahai.org/library/authoritative-texts/the-universal-house-of-justice/messages/20191201_001/20191201_001.xhtml

"One conspicuous symptom of society's deepening malaise is the steady descent of public discourse into greater rancour and enmity, reflecting entrenched partisan points of view. A prevalent feature of such contemporary discourse is how political disagreements rapidly degenerate into invective and ridicule. "

etc.

"This holds particular implications for Bahá'ís, who know well the principles of their Faith require them to refrain from involvement in political controversies and conflicts of all kinds. "Speak thou no word of politics" was the counsel of 'Abdu'l-Bahá to one believer, adding, "Except to speak well of them, make thou no mention of the earth's kings, and the worldly governments thereof."

all that prohibition against "fault finding" and mean spirited criticism, critiques need to be tempered, **yet harsh truth, testimony in defense of and reporting of a crime, and the dire consequences of denying harsh truth, will be delivered with the greater good in mind one way or the other!**

especially pursuant to: Persian Hidden Words of Baha'u'llah :

"49: O CHILDREN OF DUST! Tell the rich of the midnight sighing of the poor, lest heedlessness lead them into the path of destruction, and deprive them of the Tree of Wealth. To give and to be generous are attributes of Mine; well is it with him that adorneth himself with My virtues.

Telling "the rich of the midnight sighing of the poor" seems to me to mean telling an inconvenient truth to the rich who are ridiculously

advantaged desensitized to those less fortunate. The accounts and descriptions of such unfortunate might seem inconvenient, but that empathy for innocent defenseless victims is kindness:

<https://exponentialaltruism.wordpress.com/2023/02/08/okgroomer-images-illustration-memes/>

Proverbial "midnight sighing" often won't come across as kind communication, but that communication is an act of kindness. What Baha'u'llah describes as "Midnight sighing" all of us "children of dust" must tell!

Consort with all men, O people of Bahá, in a spirit of friendliness and fellowship. If ye be aware of a certain truth, if ye possess a jewel, of which others are deprived, share it with them in a language of utmost kindness and goodwill. If it be accepted, if it fulfill its purpose, your object is attained. If any one should refuse it, leave him unto himself, and beseech God to guide him. Beware lest ye deal unkindly with him. A kindly tongue is the lodestone of the hearts of men. It is the bread of the spirit, it clotheth the words with meaning, it is the fountain of the light of wisdom and understanding....

– Gleanings from the Writings of Bahá'u'lláh, CXXXII

Telling the rich all that seems to me to suggest that we who are burdened with disadvantage, have empathy with suffering, and are suppose to tell of how, why, when, where, and who are afflicted with loneliness exile and despair in pain, hunger, betrayal, catastrophe, imposition and sadness in the dark coldest middle of a 24 hour cycle, "the heart of darkness", the darkest hour where cruelty happens. **"Midnight Sighing"** to seems to me to mean the root cause of the ugly inconvenient truth and reality that complacent snobs can't perceive on their own. Everyone will face mortality and be impoverished to dust. Everyone is a child of dust. And that is an inconvenient truth to arrogant deluded snobby naive rich. It's never pretty to think we're all going to become dust and that some are hardly given a chance to be anything besides dust in this lifetime.

So with the provision of being reminded of traumatic cruel abuse, PURSUANT TO this hidden word too :

31 O Son of Being! Bring thyself to account each day ere thou art summoned to a reckoning; for death, unheralded, shall come upon thee and thou shalt be called to give account for thy deeds.

At some point the delayed reaction of a former child victim need be accounted relentlessly vehemently with harsh testimony. AS life opportunities are in decline, much of which is not the victims' fault and the fact they weren't the victims's fault, discovered only belatedly, that defense will happen in self defense and defense of other helpless children worldwide one way or another.

It's the destiny **pursuant to: Prayer of Western States**

“Confirm me in Thy service, assist me with the cohorts of Thy angels, make me victorious in the promotion of Thy Word and suffer me to speak out Thy wisdom amongst Thy creatures”

To reach a lot of niche fringe most deserving, most dire humiliated and disparaged difficult to reach audiences of Baha'u'llah's message that snobby Baha'is won't reach, by the very nature of experiencing common similar victimhood and imposition, it should be obvious that 1 person's pre-conceived notion of cruelty is another's kindness, and another's kindness is another's cruelty:

. Hopefully it will be clear that a common theme of #ourstoryisone I use <https://twitter.com/spiralcosmosart> is reaching the emerging audiences who are weary of deception of virtue signalling protest 1 injustice at the exclusion of others equally wrong,

and is a bit themed with denouncing exclusive victim status virtue signalling for Iranian refugee Baha'is and Baha'is in Iran, but rather those non-Baha'is vehemently promoting Baha'i standards against child abuse TOO! What part of twitter #ourstoryisone is one is one [#OurStoryIsOne #داستان_ما_یکپست](#) do Baha'is not understand?

Unfortunately testimony account doesn't always get delivered tactfully nor punctually to mainstream very Persian Baha'i victim status exclusivity oriented, nor other audiences. Credibility is constrained if testimony is limited to a government in a kangaroo court legal system. Government is corrupted with agendas designed to aid, abet and coverup some indescribably horrific child abuse.

Yet, just like a ship wreck or train wreck survivor, reeling from his injuries afflicted with amnesia that dissipates gradually with time, remembering belatedly he witnessed certain **root cause & contributing factors: Root Cause and Contributing Factors** <https://www.youtube.com/watch?v=70DabkIHWK0>

, which needs to account for the horror such survivor witnessed eventually one way or another.

If Khidr did wreck the vessel on the sea,
Yet in this wrong there are a thousand rights. [Jalálu'd-Dín Rúmí
(1207-1273 A.D.);

Words of any survivor of child abuse alone can't adequately describe the systemic series of abusive situations of grooming he endured, in my case leading to being prey to predator older children and youth in the late 1970's and 1982 and all the extreme incredulity and stigma that child was burdened with. And so whistle blowing must happen far and wide and public as a gesture of authenticity with support that only fellow survivors of similar crimes understand. So an online friendship develops with people resourced to commit to such educational multimedia: here is 1 example:

A short film on child abuse | Staying Silent
Jeremy Indika <https://www.youtube.com/@JeremyIndika>
<https://www.youtube.com/watch?v=Sh4ytXM-7FY&t=0s>

At some point as trauma is recounted and accounted, as coping skills are developed and temptation toward harmful addiction is tempered, such former witnesses of a catastrophe must organize their thoughts. We survivors must "Bring thyself to account each day" as Baha'u'llah says, for the Love of a better world, seeing his own soul on the line, (as any kind of spiritually inclined human being would do wishing no one else such fate, as the "golden rule" (do and wish unto others as you would have them do and wish unto you). That "golden rule" is so imperative of all the "manifestations of God" and intensely true about the Baha'i Faith. .

Thus "dependent origination" happens:

"form is exactly emptiness, emptiness exactly form"
– Heart of Great Wisdom Sutra

"Were it not for the cold, how would the heat of Thy words prevail,
O Expounder of the worlds?"
– Fire Tablet of Baha'u'llah

"I was raped by millions deep in the void, I soon grew ANNOYED!!!" -
– David Brockie of GWAR lyrics "Womb with a View"

And SO THAT golden rule includes a good heavy handed **"rake through the coals" serial critiques against the current and former commy libtard psychopath, oppressors, making some harsh accusations,** accounting for legacy libtard (by libtard I mean "libertine" incredulity all deluded and in denial)

PURSUANT to this Speech

https://bahai.works/Transcript:Ruhiyyih_Khanum/Freedom

https://file.bahai.media/a/a4/Ruhiyyih_Khanum-Freedom_1981.mp3

“Liberty must, in the end, lead to sedition, whose flames none can quench.

“<https://www.bahai.org/library/authoritative-texts/bahauallah/kitab-i-aqdas/6#502538542>”

This has some brilliant context

<https://exponentialaltruism.wordpress.com/2023/02/08/okgroomer-images-illustration-memes/>

AS for the particular CRIMINAL negligence failed parenting & extreme incredulity of former generation, especially certain last Step Parents, their funny weird hobby Horse Breeding ranch in rural Clackamas county during the 1980's who were determined to commit me to sadistically see to it that medical malfeasance was done to me and murder me, cover up, and seal their complicity of the abuse done to me as a child prior<.

May their demented stark anathema of a real utilitarian prized regal **traditional Arabian Horses** or raising a child to grow up to be an adult whose truly Baha'i optimal Marriage . , from the best of the Best of the Middle East, contrast to their trashy redneck hobby horses of **Caller Carol (Clackamas Co) of Fat Gelding Ranch and her Vicarious Tools** . and **why the modern psychopathic misandry is rife with a lot of conniving women into horse husbandry Re Why So Many Girls Are Obsessed With Horses** **MGTOW.mp4** <https://www.bitchute.com/video/MpAegxFM8BMD/>

Maybe some interesting terms might enter the lexicon boomers have never heard before about my last foster parents and their relationships? Demented “misandrist matriarchal hobby horse boarding and breeding service,” her “beta cuck white knight husband”, and their eventual determination to aid and abet medical malfeasance, see to it I was treated me like a randy p.o.s subjugated animal and a proverbial “nigger”, nearly slaughtered by the State of Oregon Mental Health services determined to dumb me down, chemically castrate, committed to medical malfeasance poison?

Such an anathema of Shoghi Effendi's prohibition against “state deification” incredulous boomer 1st generation fake Baha'is, determined to leave me for dead in total abject medical malfeasance, and essentially murder me was their goal and it's only just and fair for this reason, I must do my part to make sure their crimes don't go unnoticed nor are forgotten.

Pursuant to: re: "Suffering - of Children

As to the subject of babes and infants and weak ones who are afflicted by the hands of oppressors: this contains great wisdom and this subject is of paramount importance. In brief, for those souls there is a **recompense in another world** and many details are connected with this matter. For those souls that suffering is the greatest mercy of God. Verily that mercy of the Lord is far better and preferable to all the comfort of this world and the growth and development of this place of mortality. If it be the will of God, when thou shalt be present this will be explained in detail by word of mouth.

'Abdu'l-Bahá, Bahá'í World Faith, p. 372

O My servants! Sorrow not if, in these days and on this earthly plane, things contrary to your wishes have been ordained and manifested by God, for days of blissful joy, of heavenly delight, are assuredly in store for you. Worlds, holy and spiritually glorious, will be unveiled to your eyes. You are destined by Him, in this world and hereafter, to partake of their benefits, to share in their joys, and to obtain a portion of their sustaining grace. To each and every one of them you will, no doubt, attain.

Bahá'u'lláh, Gleanings from the Writings of Bahá'u'lláh, p. 329

AS those memories of horrible transgression of Baha'i principles against child abuse haunt the survivors involuntarily, in an indescribable hyper vigilance, well into adulthood and the rest of our lives. We as victims, victim advocates or witnesses to such crimes', OUR death is appeased only by a lifetime with a restlesss unquenchable desire to proclaim truth for the Love of God! We have a reason to live and refrain from suicide. We have a Quest for a great "recompense to another world" from this material world of pathetically limited opportunities!

AND SO you see there's often a volatile temptation for those who truly awaken out of stockholm syndrome, survivors to **throw a commensurate extreme amount of caution** of warnings concerning a lot of deluded snobby Baha'i's preconceived notions of prohibitions against

"calumny/ "backbiting" / "discord" "contention" & "vicious criticism", "disrespect to government"

to the wind and GO FULL PURSUANT as civic duty to respect the Law of the land of which I live (something unprecedented in the egreggious injustices of Síyáh-Chál country) **taking full advantage of landmark case 1st Amendment of the United States of America**

Land mark case <https://supreme.justia.com/cases/federal/us/376/254/>

“Thus, we consider this case against the background of a profound national commitment to the principle that debate on public issues should be uninhibited, robust, and wide-open, and that it may well include vehement, caustic, and sometimes unpleasantly sharp attacks on government and public officials. **See Terminiello v. Chicago, 337 U. S. 1, 337 U. S. 4; De Jonge v. Oregon, 299 U. S. 353,” New York Times Co. v. Sullivan, 376 U.S. 254 (1964)**

Amendment 1 Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a **redress of grievances.**

Former child victims “redress of grievances” entails far from limited to formally in a court and subserviently expecting police to give a shit about what happened decades before he recalled completely!

I don’t know how to accept the Publishing memoirs, truthfully and honestly are committing “discord” nor “calumny”

. Even though memories sometimes are suppressed for a very long time (40 years or more.), even though there are legal “statute of limitations”

there are no spiritual statute of limitations to incite Justice “the best beloved of all things”!

As an adult survivor, who was a former child victim, that adult has the right and duty to testify his experience and whistle blow. There are public figures, gregarious Baha’i people whose videos get distributed far and wide who voice opinions which others with Baha’i backgrounds and non-Baha’is disagree with. Those public figures are subject to harsh critique by the nature of the Law of the Land in the USA and “rhetorical hyperbole” is fair game with commensurate harshness of the critique commensurate to their falsehoods being exposed.

The plebians get level playing fields that tyrannical howling towelhead afflicted stockholm syndrome giving clout to undeserving idiots skated into positiosn of wealth and power will I doubt will ever appreciate

Public figures don’t get a free pass to virtue signal against alleged prohibitions against “Fault finding” against critique of the disparage underdogs, under the auspice of standalone scripture quotes without

context (like that superficial Thumper the rabbit being scorned by his Mommy or or other Belittling Nanny state like that Disney cartoon!) We're not childish cartoon rabbits with a disney cartoon mother scolding us.!

What kind of Baha'is can't think beyond the context of Baha'i prohibition against **"Fault-Finding and Backbiting"**
https://bahai.works/Lights_of_Guidance/Backbiting,_Criticism,_Faultfinding,_Gossip,_Lies,_Slander_Etc.#306._Abstain_from_Fault-Finding_and_Backbiting

and see where "redress of grievances" implies justice of a harsh critique

"vehement, caustic, and sometimes unpleasantly sharp attacks" as weighted commensurate to the egregious nature of a horribly injustice, to incite justice "the best beloved of all things" ?

This is an unprecedented reality of human rights principle of the Constitution of the United States of America! Those in imposition relative to abusive tyrannical politicians have the freedom and sometimes duty to make

"vehement, caustic, and sometimes unpleasantly sharp attacks" against injustices and tyranny

, unlike the the old [Siyáh-Chál](#) -hole howling towelhead country where there's nearly no end to the howling towel heads having their wicked ways over the citizens!

It goes justice, against equity, good conscience to aid and abet coverrup against trauma based mind control which is also known as crafty wicked deception here in the United States of America. Resistance to all who aid and abeit medical malfeasance is paramount!

Pathetically ivory tower idiot medical malfeasance, charlatans, grifters, and various tyranny all implicit in the warnings biblically against "Wolves in Sheep's clothing" And especially for Baha'is against DECEPTIONS DESCRIBED categorically as 3 false gods of (communism,

nationalism, and racialism) stipulated by Shoghi Effendi in “Promised Day is Come”:

Especially pursuant to resisting

<https://www.bahai.org/library/authoritative-texts/shoghi-effendi/promised-day-come/5#703829286> The Three False Gods

“ the triple gods of Nationalism, Racialism and Communism, “

“theories and policies, so unsound, so pernicious, **which deify the state** and exalt the nation above mankind, which seek to subordinate the sister races of the world to one single race, which discriminate between the black and the white, and which tolerate the dominance of one privileged class over all others”

Defense of former and current child victims and prevention of future mishaps rests on thorough account expediently yet patiently. There’s a moral obligation and duty. After all that Arabic Hidden Words #31 “death will come unheralded”, seems to me to mean to go a bit vigilante duly aware, lucid, and “hyper vigilant” against a lot of defenseless children's’ oppressors

as righteous vitriolic truthful revelation, of self defense and defense of others in such scenarios.

There are ugly ways of proclaiming truth against oppressors who betray others

[The Definition of Nemesis - Snatch \(6/8\) Movie CLIP \(2000\) HD](https://youtu.be/xu0p6CtioZk?t=15)
<https://youtu.be/xu0p6CtioZk?t=15> “A righteous infliction of retribution manifested by an appropriate agent” in this case tetering on restraining myself from sinking to the level of ‘orrible Conniving Ubiquitous Neurotic Tyrants that all too often have their wicked ways with the world.”

And there is eloquent poetry (not quite ugly): “black waterside”

“You could make me believe with your lying tongue
That the sun rose in the west.

Go home, go home, to your Father's garden
Go home and weep your fill

And think upon your own misfortune
Which you bought with your wanton will”

Words of mine fail to adequately describe the cruelty that needs to end as a result of extreme betrayal and the duty to communicate why the betrayal happened and was wrong for prevention in the future, but hopeful there is some deferment to what the Baha'i Writings say that make some sense to me:

Pursuant to the 2 beginning quotes "Evil Exists"

https://bahai.works/Lights_of_Guidance/Psychic_Phenomena#1734._Evil_Exists

& Chapter of "The Priceless Pearl" 5 opening "principle of light and shadow" **https://bahai-library.com/khanum_priceless_pearl&chapter=5/**

It should be obvious that Glorious beautiful evolutionary leap Baha'is profess their religion is, attracts some of the most ugly "at risk families" with "at risk children"! A prevalent deluded desensitized snobby attitude of incredulity doesn't get forgotten by former child victims of it and will be duly accounted for one way or another. That is the message.

Re: someone I had a heated discussion with tells me "The principal role of the assembly is to engage in teaching efforts" To which I respond

A religious assembly, whether it's Baha'i administration, or any committee of any authority anywhere, is going to encounter and feel obliged to respond and welcome refugees from disparaged, despondent, and demoralized people 1 way or another! It's the nature of decline of Civilization any Baha'i can't fail to notice. There's no way around encountering child safety issues and policies of how children's activities are organized! Without adult maturity overseeing a playground for children, children descend into vicious games of a cruel "law of the jungle" pecking order we see in public schools all over the USA or worldwide.

These Baha'i principles of protecting children are crucial beyond crucial. They can't be repeated enough! That's why I ZEALOUSLY spam these image collages.

All these meltdown videos of "school board meetings" should be good examples of a lot of the same issues of Baha'i administration :

and The crucifixion of Jesus Christ which is all Biblically well accounted for after over 2,000 years.

The principle of the Manifestation of God enduring such torture in totally sympathy and empathy for whatever imposition the human race is, The Divine Luminary clearly goes total bright white star everlasting supernova illumination starting based in the very heart of darkness

as no non-Divine luminary (a.k.a. false profit / false god (as Shoghi Effendi applies Communists, Nationalists, and Racial supremacists or in some other contexts " Commies (psychopathic Libtards who are batshit libeterine ways with children), Fascists (Nazis ultra homophobic & intolerant) & Racists "white supremacists" or ultra virtue signalling of any people over another) **ever could do!**

This is true because a True Divine Luminary is gifted with superhuman capacities enduring being slow torture near if not to death (whether the Crucifixion of Jesus Christ or Baha'u'llah and all the rest) surviving what would kill a lot of other people's spirit and soul.

So that superheroic endurance is the foundation and basis of a lot of my personal Faith and Personal Testimony of witnessing a Loving God, trust in Baha'u'llah as the return of Jesus Christ, that He is the True Divine Luminary who indeed has the utmost empathy, sympathy, compassion mercy for all trauma victims of unspeakable torture and rape, and truly is concerned by paramount justice for all eventually forgiving all seeing Him as the Guide out of this world, despite imposition, with some kind of Divine ability to say:

Luke 23:34 Then said Jesus, Father, "forgive them; for they know not what they do."

The same principle applies for the parable of the "Thief on the Cross" who was Jesus. There were undoubtedly reformed disparaged lowlife bottom of the barrel unfortunates near the end of their lives loving Baha'u'llah and seeing Him as His redeemer as fellow inmates (to use 12 step addiction recovery "jails, institutions and death". And mean it!

can remember the account of **“Hard Luck story” #9** as I do, as a child running toward Ruhiiyyih Khanum to greet her as her and her entourage walked through the Hallways of that auditorium in Saint Louis Missouri, knowing instinctively she had my best interests in mind far better than mine and a lot of other children's parents of my lifetime ever possibly could, the ensuing decision to be babysat at the household of where Marguerite Sears was staying (Wife of Hand of the Cause Bill Sears) solaced babysat in the living room with these cute little Dachshund pet dogs, is as memorable to me as though it was yesterday, even though it was half a century ago!

Friends, beloved friends. I want to ask you a question. Who does Bahá'u'lláh belong to? I've been thinking about this a great deal during this marvelous gathering that we have all been privileged to attend. And I often wonder if we ponder on this question. **Who does Bahá'u'lláh belong to? No one would presume to say that the sunlight belonged to the east or the west or the north or the south. No one would dare say that the sun that shines in Persia is for some reason or other a better kind of sunlight than the sunlight that shines in the United States of America. Or that the**

sun in Africa is a different kind of sun from that in Southeast Asia and so on. The sun is far away from us. It shines on everything equally. It is its own

master. Nobody owns it. Nobody controls it and nobody has a monopoly on it. The same thing is true of Bahá'u'lláh. None of us Bahá'is own Bahá'u'lláh. Sometimes, there seems to be an attitude on the part of individuals or of Bahá'í institutions, undoubtedly due to their immaturity, that gives one the impression that Bahá'u'lláh is something that they have an invested right in, as if it were a company that they had bought shares in or a secret society that they had been initiated into. And that being these very privileged people who have some kind of control of something very exclusive and marvelous, they are going to share it with others under certain conditions. I think all of us must realize, and perhaps all of us do realize, but then not all the Bahá'is in the world are in this room, there are a great many Bahá'is alas who are not privileged to be present in this room. But we must all realize that Bahá'u'lláh belongs to those who have accepted Him. It is not a derived right.
